## Boy Scout Troop 8 Holds Court of Honor

Boy Scout Troop 8, sponsored by the First United Presbyterian church, held the annual fall Court of Honor Tuesday evening in the recreation hall of the church.

After posting of the colors, uniform inspection was held with five Scouts receiving 100%.

Inspectors were Ed Yates, scoutmaster; Harold Craven, assistant scoutmaster; and Robert Zouland, area representative.

The rank of Tenderfoot was conferred on Austin Lewis, Jr., Ralph Rojas, Stephen Roth, Dennis Young and Clifford Edington. Second Class rank was received by Ralph Rojas and Stephen Roth.

Scouts receiving their first class badges were Gary Webb, Mickey Weiss and Bruce Reese, while the rank of Star was conferred on Russell Gettsch and Donald Durbin. Stephen Lewis was given the life rank, the second highest in scouting.

New officers of the troop were announced by Scoutmaster Yates as senior patrol leader, John Releke; assistant patrol leader, Richard Grotenfuss; scribe, David Steele; quartermaster, James Evans and librarian, Bruce Van. These new scouts replace Steve Willard and Ronnie Yates, senior and assistant patrol leaders who have joined an Explorer Post.

Eleven Scouts were presented with one-year pins; eleven with two-year pins; two with four-year pins, and five with three-year pins.

Judge Austin Lewis, advancement chairman, congratulated each of the Scouts on his achievement and presented 25 merit badges. Maurice Steele is troop committee chairman.

Ed Yates gave a review of the events for the coming year, and there were short sketches by three patrols.

The closing ceremonies were led by the new senior patrol leader and refreshments were served to about 30 parents.

## 4-H Club Members Honored by County

Madison county 4-H Achievement night was held Tuesday at Eden United Church of Christ in Edwardsville. Four-H members, leaders, and clubs were recognized with certificates, ribbons, pins and trips.

The club members from Tri-4-H who received recognition were: Diana Tadlock—county honor dairy foods pin and \$5 from the Carnation Company; county honor bread pin from the Standard Brands Inc.; dress revue pin from the Simplicity Pattern Co. and State and County project honor certificates.

Sandra Carls—county honor Foods—Nutrition pin from the General Foods Corporation; dress revue pin from the Simplicity Pattern Co. and State and County project honor certificates. Other members receiving State and County project honor certificates were Elaine Tadlock, Cynthia and Claudia Tinsler.

The speaker for the evening was Rev. Robert Lasser who gave a talk encouraging the members to achieve their highest goals.

Mr. Raymond Tadlock is the leader for Tri-4-H club.

APPLE BUTTER comes easily from this machine being operated here by Mrs. Levi Duke, 2221 Grand avenue. The machine, which stirs the apples and takes the muscular work out of the job, was made by Mr. Duke who operates a welding shop. The machine will handle two and a half bushels of apples at a time.

## Homemade Machine Makes Apple Butter Chore Easy

Making apple butter may be an old-fashioned chore for some people, but for Mrs. Levi Duke, 2221 Grand avenue, the job is just as simple as running one of the new-fangled washing machines.

Thanks to her husband and his inventive genius, Mrs. Duke has her own "apple butter-making machine," which permits her to mash and stir some two and a half bushels of apples at one time, should she so desire, with practically no effort on her part. This new technology, and advancement in the apple butter field is due to the fact that Mr. Duke owns and operates the Nameok Welding Shop and therefore knew what he was about when Mrs. Duke decided to make apple butter and called upon him for help. Mr. Duke rolled a piece of stainless steel

to the proper proportions, welded it into a tub in which he centered a shaft operated by a motor and a speed reducer. Inside the tub section he attached wooden spatulas which do the stirring.

That was three years ago and Mrs. Duke has been making apple butter every season since. The season, she says, usually starts around the end of September and continues until the apple market is fairly well depleted. In past years she has "put up" 20 or 40 quarts of apple butter, but this season things have been going so well that she has increased the output and will prepare about 160 quarts. Much of her apple butter is given away.

Mrs. Duke said Mr. and Mrs. Duke have lived in the Quad-City area since 1915 and Mr. Duke has operated the Nameok Welding Shop since 1946.

## Industrial Development Leaders Urge Coordination

Coordination of efforts for the industrial development of the entire Metro East area was the keynote of the formation of a new organization, as proposed recently by the Illinois Power Co., at a luncheon meeting Tuesday at the Sunset Hill Holiday Inn.

Chester Baker of the Tri-City Printing Co. and immediate past president of the Tri-Cities Chamber of Commerce, was named temporary chairman.

He appointed organization and program committees who are to present initial reports at another luncheon meeting on Dec. 8 at a place to be designated.

On the organization committee, to study objectives, a name and constitution and by-laws, are Harold Fischer, First Granite City National Bank, chairman; Curt Eckert, Belleville; Theodore Mikesell, Southwest Illinois Metropolitan Area Planning Commission; Edw. F. Miller, Mecca; Paul Louden, Wood River mayor and president of the Southwest Illinois Council of Mayors; E. G. Schmitt, Granite City, IPC vice-president; Ralph Ruffner, First Western Illinois University; Cmdr. John Barron, Tri-City Regional Port District; and G. W. Pardee, St. Clair National Bank.

On the program committee are Clifford Peake, Belleville C. of C. chairman; Fred Goewen, Tri-Cities C. of C.; Francis Katz, Greater Alton Association of Commerce; Albert Paul Edwards, C. of C.; Howard Colquhoun, Collinsville C. of C.; James Reed, East St. Louis C. of C.; Robert Hackman, Union Electric Co.; Verne Hantle, IPC; Frank Mansfield, East St. Louis Manufacturers Association; Ralph Morris, Alton Realtors; and Thomas Butler, Alton District Manufacturers Association.

The program committee is to make a preliminary study of the study, staff requirements and budget.

## Community Program

Harold G. Meenen, IPC vice-president who proposed the industrial development program last month, told the group that IPC wants to take an active part in the organization but wants it to be a community program, with membership "limited to those persons or organizations having a personal and selfish interest in the further industrial development of the Illinois Metro East area."

He displayed a proposed brochure containing pertinent information required in attracting new industries, including transportation, other utilities, educational, recreational facilities, industrial locations and other details.

The cover shows the Gateway arch, the Mississippi river, the words: "Illinois Metro East" and "The Industrial Center of the Metropolitan St. Louis Area."

Meenen told the group that the primary objectives of the organization should be to pull together the efforts of all in the area.

Nancy Lee Hadley, Alton, reported to police that at 8:30 p.m. Tuesday, while she was stopped for a train at 16th street and Madison avenue, the car in back of her accelerated and rammed the rear bumper of her auto as the engine was clearing the crossing. The other auto then left the scene. The license number of the car was traced to a St. Ann, Mo., man.

## Stopped for Train, Hit

Nancy Lee Hadley, Alton, reported to police that at 8:30 p.m. Tuesday, while she was stopped for a train at 16th street and Madison avenue, the car in back of her accelerated and rammed the rear bumper of her auto as the engine was clearing the crossing. The other auto then left the scene. The license number of the car was traced to a St. Ann, Mo., man.

A proper program will be developed as we go along," Meenen said, "if at the end of a year we would have a real concrete program, I would feel very encouraged."

Meenen asked members to use the organization's name and symbol on letterheads used for industrial development purposes and to have the name displayed wherever possible to encourage industrial development.

Threat to Zoning

An example of types of issues the organization should consider was explained by Mikesell, who noted rumors that another attempt may be made to repeal the Madison county zoning ordinance at the Nov. 17 meeting of the county board of supervisors. He said that a zoning ordinance is necessary in attracting new industry.

Fisher agreed stating that "it should be imperative to watch developments on zoning and to work with our supervisors before the county board meeting."

One guest commented on past differences and "great rivalry" which existed between both sides of the river in which "one side ran the other down."

Meenen remarked that "we fight and compete on this side of the river, but fairly, and feel we can do the same with the other side."

Handling of Inquiries

In a prepared report, Meenen said that in all probabilities most inquiries from prospective industries will come to specific communities within the Illinois Metro East area. With the constant promotion of the entire area, however, it can be expected that some inquiries will be directed to the organization.

One suggestion is that the industry be handled by the organization staff until the prospective industry indicates an interest in one or two of the communities in the area.

Meenen recommended that no action be taken on a budget at the present time, and it could be kept to a minimum if the organization avails itself to office space and staff already available.

## Biographical Talks by Rotarians in Madison

Capsule summaries of their lives and viewpoints were given by Madison Rotarians during the program portion of their weekly luncheon meeting yesterday afternoon at the Madison recreation center.

President Lawrence Palkes presided and called a committee meeting for 11:30 a.m. Wednesday to plan a student scholarship program.

## Name Officers for Retired Union Club

John Zabel, retired steelworker, has been elected temporary president of the newly formed social group for retired union members. It was announced today, Joe Kuehnert, also a retired steelworker, was elected secretary. The group meets twice monthly on Saturdays. The new officers have called upon all retired union workers to attend the next meeting to be held Saturday, Nov. 14, at 10 a.m. at the Labor Temple. Plans will be discussed at that session for establishment of a permanent organization, election of permanent officers and the appointment of standing committees. Zabel painted out the organization, sponsored by the AFL-CIO Community Services of the United Fund, hopes to further the general welfare and recreation of retired workers in the area. The organization is supported and endorsed by the various local unions of the area.

## Community Services Director is Needed

Edward Reiske, president of the Tri-City Trades & Labor Council, said today he still is accepting applications for the \$6,000-a-year post of director of Community Services. The Community Service Agency, which partially is supported by the United Fund, assists union members needing welfare or other aid. The present director, Edward Hagnauer, has submitted his resignation as of next Jan. 1. Reiske said he has five applicants to date, but wants others before the names are submitted to the Trade's Council's committee on community service. Interested persons may reach Reiske at the Labor Temple, 2014 State street.

## Driver Faces Charges

Philip M. Borowitz, 2223 Edison avenue, was arrested at 12:35 p.m. Wednesday at 21st street and Madison avenue on charges of driving with an expired license and careless driving. A hearing was set for Nov. 17.

## Driver Arrested

Michael J. Harris, 2313 Edison avenue, was arrested at 6:35 p.m. Monday at 19th street and Edison avenue on a careless driving charge.

CHRISTMAS NOVELTIES are created by participants in a craft program sponsored by the Granite City park district each Wednesday from 7:30 to 9:30 p.m. Shown working on such items as feathered Christmas trees, felt Santa Claus' and kissing dolls, are from left to right—Mrs. Aline Graham, Mrs. Coral Davis, partially obscured, Mrs. Katherine Wilson, Mrs. Arpine Shrikian and Mrs. Sally Sumpter. Openings are still available in the class.

## Christmas Workshop For Women Planned

A five-week Christmas workshop for women interested in making and preparing Christmas items and decorations will be held by the women's department of the YMCA starting Tuesday, Nov. 17. The sessions will be held once weekly from 10 a.m. to 11:30 a.m., but a second session will be scheduled Thursday if enough interest in the project is shown.

Items to be undertaken during the workshop sessions will include angels, tree skirts, pomander balls, candles, package ties, ornaments, corsages, cookie cans, centerpieces and door decorations. The first workshop session will include ornaments and pomander balls.

Mrs. Lee Plaff, director of the women's department, said participants may take the entire course for \$6, or one or more sessions at \$1.25 each.

## Daytime Ladder Mishap

A collision between an auto and a ladder protruding from the rear of another car Nov. 7 in Granite City occurred at 3:45 p.m. instead of at night, the motorists reported this week.

## A Park District Project

## 40 Women Taking Part In Yule Craft Program

About 40 women have attended the first two sessions of a special Christmas craft program, which will continue each Wednesday through Dec. 2 from 7:30 p.m. to 9:30 p.m. at the Lincoln Place community center.

Participation is still open in the program, the first of its type to be sponsored by the Granite City park district.

## More Pure Air Petitions

Everett Morlen, 2668 East 24th street, has obtained 130 more signatures—300 were submitted earlier—on petitions urging the Granite City council to act against air pollution, he reported this week. He plans to present them at the next meeting.

## Speeding Charge Filed

Robert E. Ennis, Rural Route 1, was arrested at 2:30 p.m. Monday at Nameoki and Pontoon roads on a speeding charge. An appearance was ordered for Nov. 15.

## Reports to Board On Mathematics, Building Costs

Figures will figure prominently in two discussions at the Nov. 25 Granite City school board meeting. An administration study group will report on mathematics instruction in the school system, and architects' cost estimates on new school construction also will be discussed if available.

A Nidringhaus grade school addition now being built as part of a \$2,390,000 bond issue has exceeded the allocated funds. Remaining construction to be carried out is a new junior high school, new elementary school and a cafeteria-n-d-classrooms additions to Granite City high school.

Also anticipated is a report on possible locations of a new Mitchell-Nameoki area grade school. Site purchase but not construction was authorized in the bond program.

Mitchell Principal Harold G. Briggs heads the site committee, which has been conducting research on population trends. Members are Stallings Principal Edward Bizek, Nameoki Principal Donald Kopp, Marysville Principal Owen Humphrey and Lake Principal Arthur Menendez.

## State Conventions

Supt. Russell D. Johnson and five school board members—President Daniel Linder, Secretary Ronald Dillard, Dr. Eugene W. Walton, Robert Cridder and Robert Spengler—plan to attend the Illinois Association of School Boards and Illinois Association of School Administrators annual meetings Nov. 22-24 in Chicago. Some of their wives also will attend.

Possible IASB voting by Delegate Linder was discussed by the board Monday night. Asked about proposals for trailer home tax boosts, limits on school extra curricular activities of married students, substantial state aid increases and provision of home teaching for married pregnant students, he opposed free junior college tuition, revision of attendance and enrollment determination methods and establishment of a state cutoff date on school entrance age.

Panel topics at the convention were divided among the board members so that as many discussions as possible can be heard. Information and literature obtained will then be exchanged with the members.

President Linder, who will serve as a panel moderator on education of gifted pupils, said he attended a meeting Monday afternoon of the Granite City school district gifted committee to become more familiar with the subject. He praised the local program as not only leading to more state aid but also motivating highly-qualified students to achieve up to the limits of their ability.

Supt. Johnson said the top 10% of the enrollment can be designated as gifted for purposes of state participation. Linder

## John L. Winters, 38, Stricken at Work; Dies

John Lester Winters, 38, of 1812 Ferguson avenue, died in St. Elizabeth Hospital at 5:50 a.m. Wednesday ten hours after he was stricken with a heart attack while working on his job at Granite City Steel Co. Mr. Winters was stricken about 7:40 p.m. Tuesday. He was a pitman at the steel plant.

Mr. Winters was born in Erin, Tenn., and moved to Granite City 16 years ago. He was a member of the Gospel Mission and of United Steelworkers Local 16.

He is survived by his wife, Mrs. Virginia Winters; three sons, O'Neill, Ivan and Wade Winters, all of Granite City; a sister, Mrs. Ophelia Smith, Granite City; three brothers, Luther, Leaton and Jessie Winters, all of Granite City; and his mother, Mrs. Sally Winters, also of Granite City.

Funeral arrangements are listed in today's obituary column. He is to be buried in the cemetery.

In addition to the state meeting, the school board session the following night late this month, December also will be a busy time for the board.

Board members and their wives are to attend an athletic banquet at Granite City high school Dec. 2, a Southwestern Illinois Conference dinner here Dec. 7 and a Christmas dinner to be served by the home economics department at GCIS Dec. 15. A regular monthly business session is set for Dec. 14.

It has been hoped to keep fourth Wednesday board meetings free of business so that the instructional program can be emphasized, but Linder asked that the Nov. 25 session include action on two bills, \$25 to Northern Trust Co., Chicago, for costs related to the bond issue and \$154 to Columbia Security & Bond Note Co., Chicago, for use of a multiple bond signing machine.

Payment of \$3003 was authorized for bond legal work performed by Chapman & Cutler, Chicago, with School Attorney Maurice Daley asked by Linder to obtain further information from the firm.

## Property Surveys

Sheppard, Morgan and Schwab was paid \$1018 for topographic and boundary surveys at Nidringhaus school, GCIS and the new junior high site. Permission was granted for the Young & Greenawalt Co. and Illinois Power Co. to replace two existing utility poles on the Logan school annex with taller poles, enabling a 4200-watt electric line to be extended to the firm's new plant site near Missouri avenue.

Bill payments totaled \$28,727 in the educational fund, \$24 in the transportation account, \$53, 195, in the building fund and \$29,161 in the bond and interest fund.

Crop rental from Herbert Rapp for soybeans grown on the 20-acre new junior high school site was announced as \$450.

very important to them," the mayor said.

Concerning the residential area, he said "They need us and we certainly need them."

"We would not be able to derive enough income from the area to pay for the extra cost. We could not take in more than \$10,000 per year. It would hardly be enough to pay for water by drains and some lights, and then we would have to give them all of the other services."

Police and fire department staffs would be adequate with the hiring of one or two more men, he added.

The council approved the final \$100 payment for October to the H. W. Protzel Co., St. Louis municipal consultant, which has led the city's efforts to attract new industry during the past year. If more of the firm's services are required, a new agreement may be reached later.

## VA Explains New Benefits For 60,000 Pensioners

More than 110,000 Illinois veterans and dependents receiving Veterans Administration pensions will find an important notice with the checks they get this month.

John B. Naser, VA's Regional Manager for Illinois, explained today that the "stuffers" will contain information on the new pension increases and benefits scheduled for Oct. 15 by the President.

Effective Jan. 3, the new law "stuffers" will be paid under a liberalized pension program enacted in 1960. It does not increase payments to 50,000 veterans who receive the so-called protected pension, which was retained at the veteran's option when the 1960 law was adopted. However, these veterans are being informed in the "stuffer" that they can elect to come under the new law as amended this year, and thus receive the generally higher benefit. Many are expected to do this, Naser said.

For 60,000 pensioners, rates are raised approximately seven percent with rates for veterans in the lowest income bracket being increased from \$85 to \$100. While this part of the statute

does not become effective until May 1, 1963, the manager said VA veterans can obtain preliminary information by telephoning or writing or calling in person at the VA Regional Office, 2030 West Taylor street, Chicago. In any event, most disabled veterans will receive information from VA before May 1, he said.

The world may not owe every man a living, but it does owe him a share of the world's work.

Stimulate Economy  
CART. MYTHIAN—The \$120,000 expansion program announced by Granite City Steel has great impact on the Tri-Cities. It will undoubtedly stimulate the economy of this area to even greater heights and make Granite City Steel even more competitive in the market for its products.

Expansion of Industry  
Located in this area is a further indication of the healthy atmosphere of confidence for the future of this area. We have often stated that industrial expansion is created in an area, primarily from industries already located in that area. This announcement is a further proof of that fact. An expansion of such magnitude as announced by Granite City Steel is of such tremendous proportions that we will undoubtedly see additional results in the business climate of this area.

Stimulate Further Growth  
BERNARD MILLER SR.—One of the most exciting events to happen to our Granite City area has been in the making for quite some time.

The news that Granite City Steel Co. has projected for its future growth an exceedingly large modern plant that will make it even more competitive in the steel business of the United States is welcomed.

"We are proud to have them in our town."

"The executives with their foresight throughout the years have caused Granite City to be a city of employed people which in turn has caused the city to grow continually with modern banks, a downtown area with its stores that carry all nationally-advertised merchandise, shopping centers that are a convenience to the many people in this area, schools that are modern and are being constantly expanded."

"All these things can be attributed to the founding and location in Granite City of the original plant."

"Our belief is that this will stimulate an even larger growth in the future of Granite City."

"Other new industries will be looking at this Granite City area for location."

"Granite City Steel is to be commended for its vision of what can be done in this area for its growth, expansion and employees."

## ISU Orchestra Will Present First Concert

The 52-piece Illinois State University Symphony Orchestra will present its first concert of the season at 8:15 p.m. next Tuesday at Normal, James Middleton, 1249 Carlson avenue.

The program in Capen Auditorium on the ISU campus will be open to the public without charge.

Appearing with the orchestra as guest soloist will be violinist David Moskovitz, who joined the university music department faculty this fall as an instructor.

He will perform "Spring" from Vivaldi's Concerto for Violin and Strings, called "The Seasons."

Mr. Moskovitz earned both bachelor's and master's degrees in music at the University of Illinois, where he served as concert master of the orchestra on a South American tour. At ISU he is first violinist for the University String Quartet.

William H. Engelsman, instructor in music, is the University Orchestra conductor.

## Legion Post Honors 3 With Life Memberships

Tri-City American Legion Post 113, headed by Edw. Bonczart, Henry Fabin and Ewald Geger with lifetime memberships for outstanding service to the Legion during a meeting Tuesday night.

The post discussed its annual Christmas party for children, and a pig roast held last Sunday was reported to be a success by James Logge, junior vice-commander.

Edgar Horton, senior vice-commander, reported membership for 1965 at 219, with 393 as the 100% goal. Arthur Probert, a new member was accepted and introduced to the post.

The meeting was conducted by Joe Summers, commander. Almer Branding was acting chaplain. A lunch was served after the meeting.

Bi-State also will have almost 250 Crystalline-type buses which will be enough to equip the base service on major lines. The new buses will be operated on these lines during shopping hours and also will be available on major lines during the week-end.

The latest purchase brings Bi-State's new investment in new buses to \$5,200,000, besides an additional \$150,000 that was spent to air-condition 50 existing buses, Townsend said.

# Maroons Visit Warriors, Championship at Stake

WARRIORS SNEAK PEEK  
BELLEVILLE NEXT

**GOOD READING.** Members of Granite City high's football team like what they see in this mock headline. Letterman Mike Mounce (left) and Tom Craycroft hold the message, which of course refers to their big upset of East St. Louis and tomorrow night's crucial game with Belleville.

ville. Looking on, left to right, are juniors Jerry McKechan, Dana Lakatos, Ricky Turner, Warren Evans, Leonard Revelle and Gary Johnson. All figure to see action plenty against the Maroons.

By Press-Record Staff Photographers

## Both Can Clinch at Least a Tie With Victory in Crucial Contest

Only two members of the current Granite City high school team were around the last time a Southwestern Conference football championship was won by the Warriors, and they probably don't remember too much about it.

That last time was won on Friday night, Nov. 15, 1946, in a rain-soaked 8-0 victory at Madison. Coach Jim Morrison, who checked the birth dates, said defensive end John Russell (now sidelined with an injury) was seven months old at the time and defensive halfback Mike Mounce was a month old.

"John was born in Kerrville, Texas, so he was pretty far away," Morrison tongue-in-cheeked. "But Mike was born in Mount Vernon so maybe he read about it in the papers." That badge in Morrison's check will be absent tomorrow night as he directs the 1964 Fighting Warriors against the undefeated Belleville Maroons, starting at 8 p.m. at the GCHS field.

A victory over the Maroons would clinch at least a tie for the conference championship for the Warriors. The Maroons are seeking the same goal. Entering the game, Granite City is 4-1 in the conference and 7-1 overall to Belleville's 4-0 and 8-0 marks.

The Warriors have already clinched the school's best grid mark since the 1946 team compiled a 7-1-1 record. Success in their season finale would rank this squad among the greatest in the 43-year history of football at GCHS. They would tie the 8-1 record posted in 1936; a mark topped only by the undefeated teams of 1928 (9-0) and 1930 (8-2-1).

Unofficial statistics show that Granite City is the best defensive team and Belleville the best offensive team in the area. The figures are impressive: Points scored—Belleville 265 (33.1 per game), Granite City 191 (24.4). Points given up—Granite City 26 (3.3 per game), Belleville 74 (9.3). Total yards gained—Belleville 3146 (393 per game), Granite City 1551 (194 per game). Total yards given up—Granite City 519 (65 per game), Belleville 1543 (193).

"I have the greatest respect for Morrison," Frala said. "He's done a remarkable job in just two years at a school that was down to football. He's been named 'Coach of the Year.' Morrison makes the admiration mutual. He frequently taking note of techniques which have given Frala a 43-14 record at Belleville. "We're not going up there cocky," said Frala. "We know what we're getting into. There's a championship at stake and I'm not surprised if either team plays a poor game. I'd say we'd have to be the favorites though, if for no other reason than No. 1 rank in the St. Louis area. "What can you say?" said Morrison. "We'll have to play a great game to win. And I'm sure we can do it."

A sidelight to the big battle will be the point-scoring race between fullback Clyde Kuehn and halfback Glenn Pool of Belleville and halfback Nick Petrillo of Granite City. Corrected figures show Kuehn leads area scorers with 70 points, followed by Petrillo and Wood River's Mike Grimley with 66. All have 11 touchdowns with Kuehn taking the edge on extra points.

Press-Record statistics show Petrillo leads Warriors rushers with a 5.5 average (80 yards per carry). Next are halfbacks Ricky Turner (4.7) and Gary Johnson (4.3) and fullback Tom Craycroft (4.2). Quarterback Doug Winfield has completed 19 of 63 passes for 247 yards with end Dana Lakatos catching four of those for 143 yards.

Maroons' figures are a bit more impressive with Pool, running mate Mike Lennon and Kuehn all averaging about 10 to 11 yards per carry. Ron Stoessel, the quarterback, is a dangerous passer with 46 completions in 74 tosses for 884 yards. His favorite targets are Kuehn, Lennon and end Herschel Johnson.

Physically, both squads are in excellent shape with no injuries to key personnel. Advance tickets are now on sale at Granite City's Book Store, the high school and three junior highs. There will be no live radio broadcast.

Tomorrow night's game and conference activities, except for the annual Belleville-East St. Louis Thanksgiving Day battle, East Side and Collinsville will battle to stay in the light championship race as they meet at Person's Field.

**Park Still Needs Basketball Teams**  
Entries are still being accepted for the Granite City park district's basketball leagues. Harold Brown, director of parks and recreation, and two Church League teams, three High School League teams and Junior High School teams are still needed.

At the first organizational meeting, there were 13 Classic, three Church and seven High School teams represented. No Junior High teams have entered as yet. Interested squads must play by Nov. 19, Brown said. Another meeting will be held Nov. 23 and play begins Nov. 30. Entry fees are \$40 for the Classic and Church leagues, \$20 for High School and \$10 for Junior High.

## Highlights of Key Games in GC's Past

Granite City high school has won four Southwestern Conference championships and tied for another. Here's a nostalgic trip back to the key games in those seasons:  
Friday night, Nov. 15, 1946: A strong wind carried an apparently good punt by Madison's Rich Krieshok behind the Warriors' end zone to give the Happy Warriors a safety and a 2-0 lead. Later Gilbert Georff took a short pass from Bill Schooley and splashed through the rain and mud into the end zone as Granite City won 8-0 to clinch at least a tie. (Belleville's 6-0 Turkey Day win over East Side gave GCHS the championship.)  
Thursday night, Nov. 12, 1936: The Happy Warriors clinched at least a tie as Emmett Rensing's two touchdowns paved a 25-0 victory over Wood River. (East St. Louis defeated Belleville to tie the Warriors for the championship; both had 5-1 league marks.)  
Thanksgiving Day afternoon, Nov. 24, 1932: Edwainson without a conference win previously, barred the Warriors 16-0 on a muddy field here. The locals apparently let down after it was learned East Side topped Belleville 6-0 that morning to assure GCHS the championship.  
Saturday afternoon, Nov. 22, 1930: Although outgaining East St. Louis by 308 yards to 279, Granite City was held to a 0-0 tie. The deadlock, however, assured GCHS of a first place tie. (On Thanksgiving, Belleville surprised heavily-favored East Side in a scoreless tie and the title went to the Warriors.)  
Saturday afternoon, Nov. 16, 1928: Clinching their first title, the Red & Black subdued East St. Louis 13-0 in the mud at Person's Field. Touchdowns by Bud Colin and Tommy Wilson plus the excellent punting against a diving wind by Colin sparked the triumph.  
Over the years, Belleville has been Granite City's most frequent foe with the Maroons holding the series edge with 29 wins 15 losses and one tie.

## Judo Team Returns, Honored at YMCA

Seventy-three persons, including Mayor Leonard Davis, attended a reception last night for members of the YMCA Judo Club team which returned from the first international jiu-jitsu meet at Miami, Fla.

Honored were Jim Flesher, who won fourth in the 185-pound class, and four others who finished sixth in various classes.

Completed were Jim Flesher (1105), Mike Middleton (180), Bill Fuchs (156) and Tom Smedley (156). Fuchs and Smedley each won a sixth-place tie breaker to compete against each other.

Competition after the semi-final round was conducted on a round-robin basis with all finalists competing until five points were marked against them (three points for defeat, two for defeat by decision and one for a draw). Thus, the local boys were marked against their opponents in much higher weight classifications than their own.

The reception was hosted by the Judo Club mothers and David Walker, YMCA youth director.

## Lighting Supplies

## Mild Weather Boosts Emergency Cases at Hospital

Indian summer weather is creating additional work for the emergency room staff at St. Elizabeth Hospital with most of the injuries treated Tuesday involving youngsters who were playing outdoors.

Stella Cuppetti, 5, daughter of Mr. and Mrs. Paul Cuppetti, 2828 Edgewood avenue, fell while running with a group of children and injured her left arm. Judy Dix, 22 months old, granddaughter of Mrs. Nellie Dix, 2624 East 24th street, fell from a sliding board and hurt her left wrist, and Jimmy Sittens, 3, son of James Sittens of Cleveland, O., was struck on the forehead with a toy gun and received two sutures.

In after-school activities, Dan Patterson, 14, son of Mr. and Mrs. Gerald Patterson, 4701 Kirkpatrick Homes, injured fingers of his right hand, and Connie Lee Smith, 12, daughter of Mr. and Mrs. Charles Smith, 2216 Roberts avenue, fell and hurt her right shoulder.

Two other mishap victims treated Tuesday were Rev. Michael Skorkinsky, 36, pastor of St. Mary's Greek Catholic Church, 1312 Iowa street, who cut the top of his head, and Donna Hawkins, 16, daughter of Mr. and Mrs. Ervin Hawkins, 1035 Fourth street, Venice, who stuck a comb in her right eye.

All were given emergency treatment and released.

## Sacred Heart Unit Plans Fashion Show

The Mothers' Club of Sacred Heart parish will sponsor a fashion show Friday beginning at 8 p.m. in the Sacred Heart gymnasium.

The program will feature women's fashions and the show will be part of the club's "kickoff" of Fall Festival activities. The \$1 donation will be used for general club activities.

The program also will include entertainment presented by John Birdsong and dancers from the Park district recreational program. Refreshments will be served and prizes will be awarded.

Mrs. Janet Lentz, area fashion coordinator, will be the commentator for the fashion show.

A spaghetti supper will be held Saturday, with serving to begin at 4 p.m., and a roast beef dinner will be served Sunday, beginning at 11 a.m.

## Venice Lions Club Sees Slides of Foreign Tour

The Venice Lions club held a regular dinner meeting Monday evening at the Legion Home with 18 members present. President Donald Phillips was in charge, and a discussion was held on completion of a successful community calendar sale.

It was announced the Lions club will meet with the Venice Junior Service club, city officials and other guests next Monday at the Legion home.

Purpose of the meeting is to acquaint the community with the Easter Seal Society and the operation of a preschool clinic at the Venice library. Miss Betty Bagley of the Easter Seal Society will be guest speaker.

Following the business session, Miss Alice Purdes of the Venice school faculty presented slides on her world trip and spoke to the group.

## Levee Board Member Cleared in Shooting

Morris Campbell, East St. Louis member of the East Side Levee & Sanitary District board and a precinct committeeman, was exonerated Monday by a coroner's jury at an inquest into the fatal shooting of James Triplett, 23, of East St. Louis.

Triplett was shot about 2:30 a.m. Monday outside of the Paramount club, which Campbell manages, during a scuffle for a shotgun. He was pronounced dead at St. Mary's Hospital with wounds in the abdomen.

Authorities learned that the two had a misunderstanding in that Triplett, an insurance collector, claimed that Campbell tried to cheat him out of 10 cents.

## MORE ABOUT Appraisals Due

(Continued from page 1.)

At the beginning of the session, Nunn called on Ragdale to explain the status of the total of 49 pieces of property involved in the first phase of the Namook road improvement project from Madison avenue north to the city limits.

Ragdale said that on Tuesday he had received from Gasparovic appraisals on seven parcels that have been given "preliminary review" but have not yet gone to the highway department for final approval or possible rejection. He explained also that by his working with Gasparovic in preparation of these forms, it was necessary to understand the local, metropolitan, state and national issues and problems affecting the welfare of local people.

This brought from Nunn a demand to know who was at fault in delaying completion of the appraisal work.

"We are being criticized for the time it is taking to complete this work and we want to know the reason for it," Nunn said. "It is the state that is holding us back or is it our own appraisers? Do you think this job could be finished sooner if we gave you a new appraiser? You tell us what is wrong and we'll do what is necessary to correct it. We will give you a new appraiser or more help or whatever you think is necessary to get this job done."

### Defends Appraiser

Ragdale, who was accompanied to the meeting by J. P. Kottenhofen, also of the French Village division of the highway department, said he took practically no part in the discussion, replied that it was the fault of the city's appraiser, but rather of the detail that was involved in appraising procedure.

He said that among the six appraisals still incomplete are three involving filling station properties on which the state, inadvertently sent out incomplete designs that had to be corrected, thus requiring revision of the appraisals. He pointed out that after Gasparovic makes the appraisals, they go to the city for a "preliminary review." If any information is lacking or any question may develop concerning the appraisal, it is returned for revision. After an appraisal passes the preliminary review stage, it goes to another department for final approval and, here again, there may be a possibility of a rejection, even of the preliminary appraisal.

Nunn insisted that with "13 of these appraisals still out, we are getting nowhere. We're not any further along than we were last week." Both Ragdale and Gasparovic again pointed out that seven of the appraisals to which Nunn referred are in the hands with preliminary approval, although they still are subject to review for final approval, and that the work has been done on the other six with exception of some typing work that will be completed in time for the appraisals to be turned over to Ragdale on Thursday (today).

### Set New Meeting

At time went on, council members pointed out that time should be allowed for completion of the work and another meeting held next week. Gasparovic said he didn't believe another meeting would be necessary, but Nunn and several council members, including Samuel Whitner, Jr., of Second Ward, insisted the meetings "are doing some good in getting this matter out into the open and they should be continued." Since another meeting is scheduled at 8 p.m. Wednesday, the session with Gasparovic and David Johnston contract engineer for the Namook road improvement job, was set for 6:30 p.m.

City Atty. George Fleiss Jr. who was asked how long negotiations will take, pointed out that negotiations on 19 parcels already have been completed, another nine slated for condemnation proceedings and several others are questionable. He said approximately two months will be required for completion of negotiations on a parcel, and that if he could receive all of the appraisal papers this month the negotiations for acquisition of right-of-way should be completed in the year.

Nunn asked Johnson if, under these circumstances, actual work on the project could get underway during the summer. He replied that he can see no reason why work should not be underway by June if the right-of-way matters are out of the way early in 1965. He said it will take about four months to complete the resurfacing and widening on the first phase of Namook road work.

Russell D. Johnston, superintendent of schools, one of about 25 persons who were present at the public session, remarked during the discussion that he had never been able to obtain information concerning certain parcels of school property, and that he could not understand why. Fleiss pointed out that it probably was due to the fact that negotiations for acquisition of right-of-way of property owned by a taxing district is a legal matter that would take considerable checking and that an immediate answer probably could not be given. Johnson said that was

## 'Town Hall' Nov. 19 On Sunday Shopping

Melvin Gillis, manager of the new W. T. Grant Co. store in Granite City, was announced today as one of the speakers at a "town hall meeting" on Sunday, Thursday, Nov. 19, at St. John United Church of Christ. Topic will be Sunday shopping.

Gillis discussed the Sunday sales issues from a Quad-City viewpoint. A second speaker yet to be named is Miss Ann Miller, active in the successful movement there for a statewide Sunday sales ban, which will report on the effort and the results. A question period will follow.

## Marvin Tinsley Dies Suddenly at Age 56

Marvin T. Tinsley, 56, of 724 North Twenty-sixth place, died at 2:45 a.m. today after suffering an apparent heart attack in his home. An inquest will be held by Deputy Coroner Henry Pieper.

Mr. Tinsley, a boilermaker at the Shell Oil Co. refinery at Roxana, was born in Hardin county, Ill., and lived in Granite City for 28 years. He was a member of the Bethesda Baptist Church and of Boiler Makers Local 363 of East St. Louis.

He leaves his wife, Mrs. Alberta Tinsley; four sons, Irvin of Caseyville; Marvin Paul, in the service; and two daughters, and Prentice J. and James A. Tinsley, both of Granite City; a daughter, Mrs. Leona Gross of St. Louis; two brothers, Marion J. Tinsley, Granite City, and George Tinsley, Griffith, Ind.; two sisters, Mrs. Leona Gross of Chicago and Mrs. Norma L. Palmer, Sweet Home, Ore., and four grandchildren. Two brothers and two sisters preceded him in death.

## Park Board Plans Ice Rink Meeting

A dinner meeting of 24 divided organizations and individuals has been set for 6:30 p.m. on Nov. 30 at the Rose Hotel to discuss the possibility of building an ice skating rink in Wilson Park.

Atty. Randolph Robertson said the park district has not proposed a general obligation bond issue since 1959 when voters approved financing of the Wilson Park swimming pool.

Loman said the invitations will be mailed shortly.

## Portraits, Ceramics Featured by Art Guild

Granite City Artist Guild activities for the 1964-65 season are continuing on instruction and practice on Tuesdays and Wednesdays, with Thursday night reserved for the business and workshop topics.

Portrait and still life painting with oils, charcoal and pastels is being taught by Jerry Slavik, and Robert Ward is teaching ceramics. Slavik, who has painted in Europe, currently is displaying a collection of original oil paintings.

Participants include Elmer Blomfield, Leola Paschag, Clea Whitaker, John Patrick, Glenn Law, Patricia Skinner, James and John Smith, Marion Shelton, Ruth Tyler and Gloria Cooper. All members are Granite Cityans. The public is being invited to view articles for sale to submit paintings for display.

## Discuss Horseshoe Lake Development

T. H. Mikseel, executive director of the Southwest Illinois Metropolitan Area Planning Commission, and James G. Krause, member of the St. Clair county board of supervisors and chairman of SWIMAPAC, were to meet this afternoon with members of the Randolph Commission to discuss steps to develop the Horseshoe Lake project which has been supervised by a committee headed by Henry D. Karandjoff of Granite City.

In addition, the group was scheduled to initiate talks concerning possible expansion of the Cahokia Mounds Park area to include among park property certain areas that are within the park boundaries. Aerial photographs were borrowed for use in the meeting to help illustrate boundary lines. Today's meeting is to be held at the Park Plaza in St. Louis.

## Deadline Nears But Levee Board Sets No Meeting

No special meeting has been called as yet to discuss awarding of construction contracts or sale of revenue bonds on the \$2.2 million Landsdowne sewage treatment project, East St. Louis Levee Board members said today.

Bids on the six phases of construction will be received until early this month and all were referred to the district's engineering committee. The low bid totaled \$2,100,164 or about \$195,964 over estimates by the levee engineering department.

The levee board is currently under fire from the St. Clair County Taxpayers' Association because President Lawrence Tolar and other officials will not say if the district will advertise for bids to finance the project.

Federal and state agencies have offered \$2.25 million in grants, 18 days away, for start of construction on the water pollution abatement system, which will serve the north part of the district, including Madison and Venice. The deadline could be extended if the governmental agencies agree.

The taxpayers organization was sent on arrival at St. Elizabeth Hospital at 2:45 a.m. today after suffering an apparent heart attack in his home. An inquest will be held by Deputy Coroner Henry Pieper.

## Area Leaders To Study Industrial Development Plan

Discussion of the "urgent need for industrial development" in the two-state metropolitan area is scheduled Friday at a meeting of a select group of the area's business, education, labor and government leaders at the Raquet Club, St. Louis.

The meeting is scheduled at 4 p.m. Tuesday. Invited guests include eight top administrative officials have been sent throughout the area. Among those invited from this week in the Greater St. Louis area are William Hoelcher, executive secretary of the Manufacturers Association of the Midwest; Thomas Butler, Alton Association of Manufacturers; and Francis J. Foley, chairman of the Alton Association of Commerce.

The letter said that "regional efforts for industrial development, to be effective, must be ultimately the wholehearted support of business, education, labor and political leaders throughout the greater metropolitan area. We are all agreed that we must attack this area's industrial development problem now, with imagination and enthusiasm."

The letters were signed by Mayor Raymond R. Tucker, St. Louis; Mayor Alvin G. Fields, East St. Louis; Lawrence K. Ross, St. Louis county supervisor; Ray P. Riplemeier, chairman of the board of supervisors of Jefferson county; Clem A. Buerger, presiding judge of St. Charles county; Francis F. Foley, chairman of the St. Clair county board of supervisors, and Harold Landolt, chairman of the Madison county board of supervisors. Thirty-four persons have been invited to the meeting.

The letter said that "regional efforts for industrial development, to be effective, must be ultimately the wholehearted support of business, education, labor and political leaders throughout the greater metropolitan area. ## Curve Inn Robbed of \$500 Liquor, \$138 Cash

Liquor valued at \$500 and about \$138 were taken in an armed robbery at the Curve Inn tavern, 2618 Missouri avenue, Tuesday afternoon.

According to Louis Bowman, chief investigator for the county sheriff's office, two men and a woman entered the tavern and one of the men displayed a pistol, ordering everyone to leave the building.

While they were leaving, the bandit struck the bartender, Duana Presley, and a patron. The three then were carrying boxes from the tavern to the car, and after they fled, it was discovered that all of the liquor was removed from behind the bar and the cash register was rifled. The investigation is continuing.

Also given emergency treatment yesterday was Mrs. Marjorie Miller, 2206 Delmar street, who injured her right arm when she fell down stairs at Emerson school.

## Miss Hoelscher Working In Field of Bacteriology

The challenge of bacteriology and the many new processes through which it hopes to achieve solutions and cures for various diseases, is the demanding world entered last year by Miss Carol Hoelscher, daughter of Mr. and Mrs. George R. Hoelscher, 112 Central avenue, Mitchell.

A graduate of the Grace Hospital School of Medical Technology, Detroit, Mich., Miss Hoelscher is employed in St. Louis at one of the country's largest pathology clinics, Mary-Quid City physicians use the services of the laboratory in cancer tests and other pathological problems.

Miss Hoelscher was graduated from Granite City high school in 1939 and attended Elmhurst College and Illinois College at Jacksonville, Ill. She received her internship at Grace Hospital and is interested in continuing her education toward a bacteriology degree.

### Incubation Phase

Included among her many duties, Miss Hoelscher handles the incubation phase of a new testing process which has proved valuable in helping to save infants from a certain type of severe mental retardation.

Called the Guthrie test after Dr. Robert Guthrie of the New York State University and the Buffalo Medical School and Children's Hospital, the tests detect a condition known as PKU, or phenylketonuria.

PKU is an overconcentration in the blood of an amino acid-phenylalanine. Once this is detected, the amount of phenylalanine can be controlled by altering the in-

fant's diet and retardation is prevented in most cases.

The test involves only a small puncture of the heel and collecting a few drops of blood on a piece of filter paper. Miss Hoelscher incubates the samples overnight in a special oven. If an increase of growth is observed, it indicates an excess of PKU.

Almost all secular hospitals in the area have started to use the new test but usually not as a routine procedure. Several states already have passed laws requiring hospitals to administer the Guthrie test which is regarded as a major breakthrough in the field of preventing mental retardation.

area is planned for continued development of over 600 tests, all of which will be served by severe.

"As no public agency was available, a utility company has been organized to maintain and operate the (Arlington) system."

With the advent of a township-wide sewer system, a routine procedure for administering the Guthrie test which is regarded as a major breakthrough in the field of preventing mental retardation.

"This is particularly true of Granite City, as expansion of their system is curtailed by a pollution abatement order. Consequently, the only feasible solution for the Miracle-Bellefontaine-Pontoon Beach area is to provide their own treatment."

The report fails to note that the Granite City sewer extension has been based on lack of a sewage treatment plant. Bonds have since been sold and a contract has been awarded for construction of a Granite City treatment plant.

Lachner's findings continue. "Until the preparation of this report, it was assumed that the city of Madison would accept the sewage from East Madison and Cloverleaf. It was subsequently established that Madison is unwilling or unable to accept this sewage, and again the area is required to furnish its own treatment."

East Madison Annexation Madison's city council voted Tuesday night to annex an industrial tract in East Madison and decided to proceed with efforts to annex East Madison. A city is required to provide sewage treatment service for its citizens, and Madison is doing so through a levee district program that also includes the city of Venice.

The engineering report prepared for Nameki township adds that "the State Park community it 'not within the levee district but it was hoped to contract for connection to their system. However, efforts toward this end were not successful, so other methods were pursued."

"In addition to the treatment plant proposed, there is a possibility of Coltrane building a trunk sewer along Highway 40. While it would be physically possible for State Park to connect to this main, its use is not considered feasible at this time for the following reasons:

"1. There is no assurance of Coltrane actually proceeding with the project."

"2. If they did proceed, it would be much later than Nameki township, and the lines laid would gravity away from Highway 40."

"3. The rates discussed are much higher than contemplated here."

Says Areas Antagonistic "4. Residents of State Park have an antipathy toward Coltrane which would create considerable antagonism if this alternative was actively proposed."

"5. Since Coltrane Creek provides a good outlet stream, the treatment costs are relatively small."

Lochner notes that installation of the facilities it proposes would serve "most of the population of the township."

Exceptions include the Arlington Heights subdivision currently under development in Section 13 of the township. "Sewers and treatment have been installed where house sewers being constructed," it is related. "The

## Two Cars Make Left Turns, Crash Head-on

Two autos were damaged extensively at Third street and Madison avenue at 3:30 p.m. Wednesday when drivers of the two cars made simultaneous left turns from opposite directions and collided almost head-on. Police said the cars were driven by Thomas L. Theisen, 1511 Fifth street, Madison, and David E. Bess, 400 Madison avenue.

Theisen's car was damaged on the left front, including fender and grill, and Bess' car was damaged in the right front, including grill and radiator. Police said damage was in excess of \$100 on both cars. Theisen was headed north and Bess was headed south on Madison avenue when the crash occurred.

Dead-end The way of the transgressor is a rough, one-way street that leads to nowhere.

CERTIFICATES OF APPRECIATION awarded Madison county educators by Col. Charles B. Schweizer, commanding officer of the Granite City Army Depot, for their contributions to the furtherance of education for Depot personnel. In the group are, left to right, Mrs. Mildred Meek, retired Granite City teacher; Wilbur Trimpe, county superintendent of schools; Schweizer; E. R. Castevens, supervisor, technical and adult education, Southwestern Illinois University; and Marshall A. Witternengel, director, Granite City high school.

## Organization Officers Re-elected

## Crippled Children's Ball Set Jan. 30 in Venice

Dr. John Lee, Venice mayor, was re-elected president of the Venice Crippled Children's Organization, and plans were made for the 27th annual Crippled Children's Ball to be held Jan. 30 during a quieting Wednesday night in the city hall.

Other officers elected were William "Mike" Ebersold, vice-president; William Ohlendorf Jr., treasurer; and Mrs. Lorene Morris, secretary.

This year's ball will serve as a memorial to the late President Franklin D. Roosevelt, whose birthday will be observed the same day. The benefit balls for crippled children are an outgrowth of the former President's balls held in Venice to aid polio victims and research during Roosevelt's terms of office. Com-

mittees were appointed for the event.

During the past year the organization provided \$1300 to 30 Venice families for X-rays, glasses, corrective shoes, laboratory tests, transportation to school facilities for exceptional children, and plaster casts for broken limbs.

The organization contributes \$750 each year to the Shriners Children's Hospital in St. Louis and makes annual contributions to the Madison county chapter of the National Polio Foundation. Plans currently are being made to purchase a wheel chair for that child in that community who will have the benefit of necessary services. An investigation committee assures the use of the funds to the best advantage.

## SWIU Library Prime Source Of Mormon History in State

The Southwestern Illinois University library at Edwardsville, now a prime source for information about the history of the Mormons in Illinois, has just published a 76-page catalogue of its extensive microfilm collection.

The collection includes 85 rolls of microfilm and 21 file folders, amounting to about 75,000 pages of material related to the period from 1830 to 1848.

Most of the collection is made up of unpublished letters and documents of the emigrants and their families.

Stanley B. Kimball, associate professor in the Social Sciences Division, compiled the annotated catalogue after contacting 1100 historical societies and libraries in search of material.

Kimball, on leave from the university during the current academic year, also traveled in 10 states to visit libraries and authorities on Mormon history.

In his preface, he states that the purpose of the SWIU collection, now at the SWIU library in Edwardsville, was "to enable qualified students to understand and present better this important phase of Mormon and Illinois history."

Kimball's catalogue lists 24 master's theses and doctoral dissertations which were microfilmed for the collection, and includes his comments on their value to students of the Mormon movement and Illinois past.

Quoted from Missouri by order of the governor, Smith and his followers spent the winter and spring of 1838-39 in and around Quincy. When Smith and other Mormon leaders escaped from jail at Liberty, Mo., in April, he purchased land at Commerce (which later became known as Nauvoo) and invited members of the church to join him there.

Nauvoo became the largest city in the state, with population estimates ranging between 12,000 and 20,000. Joseph Smith was killed while in custody at Carthage, Ill., in 1844, and mob protests against the Illinois Mormons forced them to migrate west under the leadership of Brigham Young.

The last remaining symbol of their faith in Illinois was destroyed with the burning of the Mormon temple at Nauvoo in 1848.

ing "Thank You God."

The hostess served refreshments to the above and Mesdames Mary Lou Monroe, Mary Layton, Sandy Jones, Sue Hurt, Edna Morell, Barbara Hessel-den and a guest, Mrs. Carolyn Thompson.

The December meeting will be held in the home of Mrs. Monroe, 3000 Edgewood avenue.

MRS. STANFORD PRESENTS PROGRAM FOR CIRCLE

The Balena Smith circle of Suburban Baptist Church held its November meeting in the home of Mrs. Gloria Carille on Redwood lane.

Mrs. Mae Cavness, prayer chairman, presented the call to pray by reading a Scripture verse. Missionaries with birthdays in November were remembered.

The circle chairman, Mrs. Rosella Fuller, conducted the business session. Mrs. Helen Stanford presented the program entitled, "Worship Through Intercessory Prayer" with Mrs. Mae Cavness, Mrs. Fuller, Mrs. Carille and Mrs. Audrey Kitchen taking part.

Members were served to them and Mrs. George Atkinson and Mrs. Jessie Huether and son, who were guests, and Mrs. Rena Locke, Mrs. Stella Toombs, Mrs. Ruthann Williams, Mrs. Doris Cook, Scott Loesch, Ken-neth and Mrs. Stanley and Cindy and Carrie Williams.

The next meeting will be held in the home of Mrs. Mabel Turnbull, 1831 Lindell bld., 3217 Erin drive, Dec. 8.

Mrs. Hester, president, called the meeting to order and Mrs. Pauline Bandy offered a prayer. The devotion, "I Want You To Meet My Friend," was led by Mrs. Hester.

Plans were discussed for a Christmas project. The group will contact the Baptist Children's Home in Carmi, Ill., seeking to "adopt" a child and to furnish the youngster with Christmas gifts.

Mrs. Pauline Kohl, teacher, announced that class yearbook will be ready shortly for distribution.

A gift exchange will be held at the Dec. 14 meeting in the home of Mrs. Pauline Bandy, 2745 Ralph street.

Refreshments were served to those mentioned and Mesdames Loretta Boyd and Betty Brooks.

YVARS TO START PILLOW PROJECT

The Young Women's Auxiliary met at Grace Baptist Church Tuesday evening.

Miss Barbara Cook, president, led a discussion on plans to make two pillows for the Baptist Children's Home in Carmi, Ill., as a Christmas project.

Special emphasis was given to a quarterly YWA council meeting Nov. 17 at Suburban Baptist Church by Mrs. Paye Hester, counselor. Miss Lynda Thomas, program chairman, led a mission program.

Others taking part were Misses Joy Hall, Nancy McDuffy and Doris Sharp.

MISSIONARY SOCIETY MEETS AT THOMPSON HOME

The November meeting of the Woman's Missionary Society of Good Shepherd EUB Church was held Monday evening in the home of Mrs. Jean Thompson, 2920 Edgewood avenue.

Mrs. Thompson, president, opened the meeting and a report was given on a Fall Institute held at the Wood River EUB Church and attended by Rev. Edwin Crouse, Mrs. Maxine Crouse and Mrs. Virginia Rainwater.

Songs were sung and Mrs. Crouse gave the lesson entitled, "Muchas Gracias Dios," meaning "Thank You God."

Members taking part were Mesdames Jean Betty, Barbara Miller, Joan McKinney, Alma Miller, Geraldine Rodgers and June Weaver.

SECRETARIES representing 30 major industries and businesses of the area pose while on a recent tour of facilities at the Granite City Army Depot. They toured not only the warehouses and maintenance buildings, but also visited the depot's black widow spider farm where webs obtained for use as cross-hairs in sensitive surveying equipment. The secretaries visited a typical mess hall and barracks recreation room and were served refreshments at the Officers' mess. Depot secretaries who aided in the tour were Ruth Steyanoff, Lorna Smith, Terry Pliman, Dorothy Sheppard, Helen Lipchik, Loraine Whitson, Adie Zahm, Julia Moody, Rosemarie Benich, Allen Davis and Shirley Heath.

### Moose Women Donate Book

Women of the Moose, chapter 247, held a library program in connection with the regular meeting last night with Senior Regent Marian Lipscomb in charge.

The book "American Heritage History of World War One" was donated to the Granite City public library and a contribution was sent to Mooseheart for the library at the school.

Mrs. Mary Austin was a new member welcomed and plans were completed for the Past Regent's dinner to be held Monday evening. All members of the chapter have been invited to attend.

After last night's meeting a surprise shower was held in honor of Mrs. Margaret Noonan, who has received her green "leaves". Refreshments were served to about 35 members and prizes were awarded.

### Thorngate Yule Parties Planned

The Thorngate Garden club held a monthly meeting Tuesday in the home of Mrs. Evelyn Leu. Mrs. Carolyn Moser, president, conducted the business meeting. Members answered roll call by describing their favorite Christmas decorations which they had made during the past year. Reports were submitted by Mrs. Pat Polley and Mrs. Wanda Kincaid.

### Sorority Plans To Aid Needy

Epilou Eta Chapter of Epilou Sigma Alpha sorority held a business meeting last night in the home of Mrs. Lucille Tritsch, 1736 Ferguson avenue.

Plans were made for a trip to the Madison Nursing Home with gifts and a Christmas basket to be assembled for a needy family. Mrs. Joyce Wilmore, social director and her committee, will be in charge of both events.

Plans also were made for a social meeting and Thanksgiving dinner at the home of Mrs. Roberta Arbeiter Nov. 21.

The educational program consisted of household hints by Mrs. Tritsch and Mrs. Arbeiter. Refreshments were served to 11 members.

### New Brownie Troop at Emerson

An investiture ceremony was held Monday afternoon for a new Brownie Troop at Emerson school. Mrs. Ann Fowler and Mrs. Betty White are leader and co-leader.

The girls invested were Kim Heck, Karen Singleton, Ruby Williams, Donna Chiappa, Elizabeth Harris, Eva Keel and Cynthia Caldwell. Others attending were Patricia Gerlach, Paula White, Janise Gumaner, Karen Wheeler, Betha Fowler and Valerie Kenney.

The meeting opened with the Brownie Promise and closed with the songs "When'er You Make A Promise," the Brownie smile song and "Taps".

Eight mothers were served refreshments by their daughters.

### 250 Attend AEW Open House

About 250 persons attended the open house at Emerson school Tuesday evening in observance of American Education Week.

A brief PTA meeting was conducted by Mrs. Don Walton, president, and the group discussed plans for a ham and bean supper Jan. 21. Mrs. Jackie Jackson will serve as chairman. Refreshments were served by the executive board members with Mrs. Ellen Wimberly and Mrs. Beryl Nyboer assisting.

DEMOCRATIC WOMEN PLAN VICTORY PARTY

Plans for a "victory party" and Christmas party to be held Dec. 9 at the Hungarian Home were made last night at a meeting of the Democratic Women's Club.

Mrs. Peggy Burch presided. Also planned was a dance on Dec. 12. Committee reports were given by the chairman.

The meeting was held at the Hungarian Home with 25 members present.

### Mrs. Minnie Bono, 74, Dies; Ill 10 Years

Mrs. Minnie Bono, 74, of 2406 Illinois avenue, died in St. Elizabeth Hospital at 5 a.m. today following an illness of ten years. She had been a patient in the hospital three days. Death was due to complications and infirmities. Her husband, Joseph Bono, died Tuesday, Nov. 3.

Mrs. Bono was born in Owango, Ill., and moved to Granite City 30 years ago. She was a member of the Second Baptist church and the Royal Neighbors of America. She is survived by a cousin, Mrs. Evelyn Marcus of Granite City.

Funeral services are listed in today's obituary column.

### Lincoln Place MARY ANN DOMITROVICH 1627 Maple Street TR 7-0801

### OPEN HOUSE HELD AT WASHINGTON SCHOOL

Washington school held open house in observance of American Education Week, Monday and Tuesday evening.

Student work was displayed for the parents' inspection. Attendance was large.

### HIKE TO CANAL LOCKS

Junior Girl Scout Troop 160 met with the leaders, Mrs. Virginia Kessler and Mrs. Josephine Jung, at the Washington school cafeteria Monday evening.

After the opening ceremony, the girls enjoyed a hike to the canal locks. Girl Scout songs were sung while hiking.

Those attending were Barbara Berry, Betty Berry, Terry Blackwell, Cheryl Brown, Linda Butler, Melissa Black, Rita Black, Jo Ann Cundiff, Candice Downs, Janice Galle, Debbie Jung, Susan Kissel, Betty Legens, Linda Legens, Linda Lindsey, Shannon Marmion, Debbie McGovern, Cheryl Medford, Paula Patton, Neomi Rudder, Cynthia Tadlock, Sheryl Thack, Ruby Tate and Janice Whitford.

### GIRL SCOUTS PLAN COOKING CLASS

A Junior Girl Scout troop met with the leader, Mrs. Rosemarie Lindner, Tuesday evening in the Washington school cafeteria. A "court of honor" was discussed.

Plans were made for a cooking class to be held Saturday morning at the home of Mrs. Lindner, 2826 Cayuga street.

Participation in the Christmas "Festival of Giving" to be held at Granite City high school in December was planned. The girls closed the session with "Taps".

Girl Scouts present were Sheila Hubbard, Marmean Moshle, Tonia Parker, Karen and Sharon Whitford, Christine Smith, Cynthia Baker, Connie Evans, Rosella Wilson, Christine Hoffman, Patty Nolan, Nancy Ungar, Debra Presley, Janet Laswell, Melonie King and Paula Patton.

### BROWNIE TROOP 109 HOLD INVESTITURE

Brownie Troop 109 held a meeting Tuesday evening at the community center, 222 Niedringhaus avenue.

A flag ceremony opened the meeting, followed by an investiture for ten girls.

Those invested were Evelyn Baker, Kathi Domitrovich, Linda Ebling, Cheryl Skerle, Pamela Farris, Mary Juhász, Lou Ann Kissel, Vicki Petrillo, The mothers of the girls attended and were served refreshments. Brownie songs were sung and the session was closed with the "tune song" and "Taps".

Other Brownies present were

### Post 12 to Add Fifth Eagle Scout Next Week

One of the largest delegations of Eagle scouts, Niedringhaus PTA Explorer Post 12, will add a fifth Eagle, Bill Anderson, son of Mr. and Mrs. Kenneth W. Anderson, 2808 Indiana avenue, at 7:30 p.m. next Wednesday, Nov. 18, in a court of honor at the Niedringhaus school cafeteria.

Explorers, parents and the public will witness the ceremony, which will be presided over by Univah District Scout Executive Edwin Menke and Post Advisor John Matras sr. Eagle courts of honor at this level are conducted by individual units.

It is considered unusual for a single Explorer post to have as many as five Eagles at one time. Those besides Anderson are George Motesgood, Peter Marr, Charles Hacke and John Matras jr.

### Work Scheduled on Greenwall Plant

Construction of the new Young & Greenwall steel fabricating plant on a seven-acre tract in West Granite is expected to get underway Friday, according to Homer Smith, vice-president of the firm which has headquarters in East Chicago, Ind.

Smith said the contract for construction work "has been awarded to the Bunce Building Corp. of St. Louis."

A building permit showing cost of the building at \$33,339 was issued by the city building inspector's office a week ago. The firm manufactures fabricated steel culvert pipe which is shipped to all parts of the world.

### Prof. Riddleberger Leaving for India

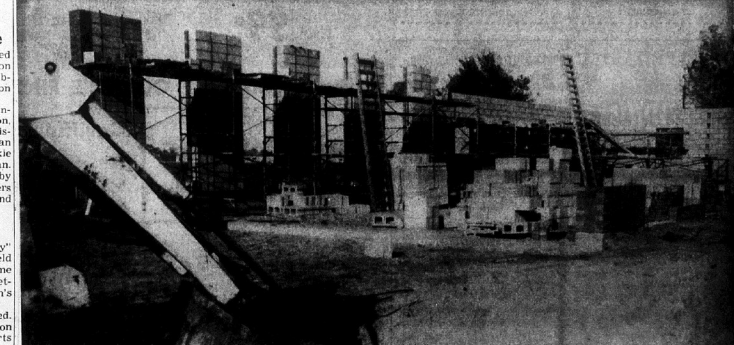

Patrick W. Riddleberger, Southwestern Illinois University associate professor, has been appointed acting director of the American Studies Research Center on the Osnama University Campus in Hyderabad, India.

In India as a Fulbright lecturer at the University of Marathwada, Riddleberger spends a part of each week on the two campuses. He is also scheduled to lecture on American studies topics in other universities in that country.

On leave this year from the Social Sciences Division at SIUW, Riddleberger's specialty is United States history, particularly that of the South. He arrived at SIUW's Quad-Cities-Edwardsville campus in 1960 from the University of Maryland where he had been teaching history since 1953.

### Flags Not at Half-Staff

A caller pointed out this week that numerous U.S. flags flown on Veterans' Day were not at half-staff, in conformity with the 30-day mourning period for the late former President Hoover. Many of them do not have lowering devices.

WALLS OF THE NEW West Granite fire station rise as construction work progresses on the \$48,000 structure. The new station house at Rock Road and Roosevelt street will replace the old one at Rock Road and Cayuga street. Henry Ross is the contractor.

### MIZPAH CLASS PLANS

#### CHRISTMAS PARTY

R. J. Hill sr. was guest speaker Monday evening for the Mizpah Bible class of First United Presbyterian Church.

A short business meeting was held and plans for a Christmas party were discussed. It will be held Dec. 4 in service rooms of the church. An election of officers will be held at the next meeting.

Those present were Mrs. Mattie Bosworth and Mrs. Merle Gnoth, the hostesses, and Mrs. Jack Rodgers sr., Mrs. Bertha Wilson, Mrs. Rae Miller, Mrs. Gladys Gitchoff, Mrs. Eleanor May Bonnat, Miss Irene Hackett and Charles Hackett, class teacher.

### JOLLY MATRONS MEET WITH MRS. PRESNELL

Mrs. Margaret Presnell was hostess to the Jolly Matrons club Tuesday.

A short business period was held prior to lunch which was served by the hostess to Mrs. Barbara Wood, Mrs. Lucille Klug, Mrs. Mildred Werner, Mrs. Betty Presnell, Mrs. Frances Oxtresh, Mrs. Margaret Gram, Mrs. Mildred Werner, Mrs. Lillian Ostresh, Mrs. Johanna Milovich and Mrs. Anna Mae Murphy.

Mrs. Klug was a guest for the afternoon.

The winners were Mrs. Wopel first, Mrs. Klug second, and the hostess, third. Mrs. Betty Presnell will entertain the group in her home in Belleville for the next meeting.

### MRS. LANGFORD HOSTESS TO GLEANERS CLUB

Mrs. Gaynell Langford was hostess to the Gleaners Sunday school class of Temple Baptist Church, Tuesday evening.

Mrs. Arnold, president, presided. For the devotion, each member spoke on "What We Have To Be Thankful For" in keeping with Thanksgiving Day.

Those taking part were Mrs. Allie Wilmoth, Mrs. Elouise Bourland, Mrs. Dorthula Taylor, Mrs. Thelma Shannon, Mrs. Myrtle Melvory, Mrs. Edna Chamberlain and Mrs. Arnold.

The Christmas party will be held Dec. 8. The hostess served refreshments prior to the adjournment.

### MRS. HINSON HOSTESS

Mrs. Hazel Hinson was hostess to the Pokey-No club Tuesday.

The members arrived during the morning hours, had lunch with the hostess and resumed

games during the afternoon. Wins for the day was Mrs. Hinson.

Mrs. Betty Allen will entertain the group in her home Nov. 24.

Other members present were Mrs. Veronika Kula, Mrs. Pat Gerkin, Mrs. Hazel Swigert, Mrs. Allen and Mrs. Marie Stow.

### SCHOOL MOTHERS TO MEET TONIGHT

The Madison School Mothers' club will hold a meeting this evening instead of the regular Wednesday meeting due to Veterans' Day.

A fish fry will be held Friday starting at 4 p.m. Tickets may be purchased from any member of the club or at the door.

Mrs. Ora James was hostess to the Pleasant Sunday school class of the First Baptist Church in her home, 1909 Second street, Tuesday evening.

The monthly meeting opened with hymns, followed with prayer by Mrs. Gladys Patterson. The devotion was given by Mrs. James.

A short business meeting was conducted by the president, Mrs. Frank Clavens. Plans were made for the annual turkey dinner and Christmas party Dec. 15 in the educational building of the church. A gift exchange will be held during the party.

Those present were Mrs. Mildred McDaniel, the class teacher and Mrs. Ida Lively, Mrs. Cravens, Mrs. Patterson and the hostess, who had the tables decorated with fall flowers. The refreshments were served by candlelight.

### DELRAY LODGE OBSERVES 40TH ANNIVERSARY

The 40th anniversary of Delray 786 Rebekah Lodge was observed Tuesday evening, when 18 members and a guest, Mrs. Agnes Meyer of Granite City, met at the Old Fellows hall in Madison.

The meeting was opened by the noble grand, Mrs. Lucille Veach. Mrs. Mary Connelley, a charter member, read a resume of the 40 years of lodge work and gave the names of charter members.

Mrs. Connelley also told of the Delray name being taken from the name of Molly Delray Smith, a deceased member. The lodge was formed Nov. 9, 1915. A 40th anniversary was read by Mrs. Veach.

A committee consisting of Mrs. Thelma Stockton, Mrs. Lucille Whitehead, Mrs. Virginia Gail and Mrs. Leo Mae Salton, read a resume of the lodge's work with flowers at each table. "Fast Noble Grand night" will be observed Nov. 24 with presentation of five 25-year jewels.

### TROOP 221 SELECTS PATROL OFFICERS

Junior Girl Scout Troop 221 met Tuesday evening with Mrs. Ethel Gettleman. The meeting opened with a song. The girls sang "Into the Future" for badge work.

Sally Gettleman's patrol chose the name of Shining Stars. Judy Baker was named as assistant patrol leader, Mimi Midgett, secretary-treasurer and Judy Meyer and Sharon Cook, refreshment committee.

Sandy Deaneher's patrol, the Robinettes, chose Elaine Rostick as assistant patrol leader and a secretary and treasurer.

The girls decorated a box for the festival of giving and worked on Christmas tree ornaments. Those to take part in the festival of giving are Celeste May, Barbara Heil, Pam Brokaw, Nancy Christian, Becky Brokaw, Darla Klein, Adele Broecker, Denise Thomas, Carol and Alice Cotter, Shelly Warnhoff, Debbie Rash and the honoree's brothers, Alan and Randy.

### NEW TROOP MEETS

A new Brownie Troop met with Mrs. Sharon Snider Tuesday evening.

The girls collected "Brownie gold" and repeated the promise and the pledge to the flag. They worked on a handicraft project, making trees and pilgrims, and played games outdoors.

Refreshments were served to Cindy Snider, Galea Rodgers, Janet Einselmeyer, Faith Morre, Rebecca Eyles, Roberta McKee, Debra McKee, Sandra Duvall, Jeanine Carver, Shirley Hand, Sharon Perry, Dorothy Noll and Mary Becker.

### FIRST FRY PLANNED BY SCOUT TROOP 23

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall with Scoutmaster Benson.

The parents attended the meeting and final plans were made for a fish fry to be held Saturday at the Long Lake firemen's recreation hall beginning at noon.

Boys present were George Wilkerson, Charles Polley, Willard Hicks Jr., Glenn Ashoff, Robert Meyer, Mike Carlsch, Buzz Pickler, Bobby Pickler, Jerry Senior, Jimmy Meador, Mel Wheeler, Steve Meador, Larry McCasie, Richard Trindle, Chester Dean, Bobby Pates, Dennis Bringer, Jacob Gardreault, Stanley Covay, Stanley Laughlin, Stewart Laughlin, John Harper and Danny Daigler.

### SANDY MEYER HONORED ON EIGHTH BIRTHDAY

Mrs. and Mrs. Alvin Meyer, 525 English place, entertained with a birthday party Sunday afternoon complimenting their daughter, Sandy, on her eighth birthday.

Pink and white decorations were used throughout the room along with balloons suspended from the ceiling. A doll birthday cake centered the refreshment table.

Games were played and prizes were awarded to Ruth Ann Christian, Donna Conn, Diane Tindall, Karen Rash and Marilyn Reed.

Cake and "ice cream" were served to the prize winners and Linda Harrison, Dottie Herman, Alice Cotter, Donna Hayes, Susan Province, Becky Bogie, Patty Parzone, Lorraine Jones, Terry Shanks, Carrie Catter, Barbara Heil, Pam Brokaw, Nancy Christian, Becky Brokaw, Darla Klein, Adele Broecker, Denise Thomas, Carol and Alice Cotter, Shelly Warnhoff, Debbie Rash and the honoree's brothers, Alan and Randy.

Mrs. Meyer was assisted by Mrs. Judy Brokaw, Mrs. Alice Presnell, Mrs. Kathryn Christian and Mrs. Sharon Cotter. The honoree received many gifts.

### DINNER WITH PARENTS

Staff Sgt. Robert E. Weeks of Arlington, Tex., had dinner with his parents, Mr. and Mrs. Robert C. Weeks, Sunday. He came to Scott Air Force Base on a flying mission with the Texas Air National Guard, of which he is a member.

### VISITS ILL. FATHER

Mrs. Billie Paul, 533 East Chain of Rocks road, returned to her home Monday from St. Petersburg, Fla., where she visited her parents, Mr. and Mrs. Gus Williamson, formerly of Mitchell. Her father is ill in a hospital.

Mrs. Virginia Smith and Mrs. Amy Johnson returned to their home at Champaign, Ill., Monday after spending the weekend visiting Mrs. Eunice Price and Mrs. Etta Bartles, 125 Douglas place.

The Boy Scout organization originated in England.

The Bashaw is one of the naval units placed on an alert basis following the recent North Vietnamese PT boat attacks in the Gulf of Tonkin.

## SWIU Helps Push Space Age, New 'Veep' Believes

Through increased research activities, advanced graduate studies and distinctive educational programs in technology to bear on instruction at the and engineering, Southwestern Illinois University not only will help "keep up" with the space age economic and social problems, but will help advance it, believes Robert William MacVicar.

Himself a scientist and teacher as well as an administrator, MacVicar is new vice-president for academic affairs at the Southern Illinois University campus at both Quad-Cities-Eldonville and Carbondale.

He assumed the post this fall after 21 years on the Oklahoma State University faculty, the last seven in a position similar to that he holds here.

"There is no question that in scientific and technological areas there have been more radical changes in the last 10 to 20 years than in any comparable time span in human history," MacVicar says. "These changes present problems to education, but they are the kind of problems we look upon as a challenge."

Diversity Valuable Asset MacVicar is in charge of all instructional research and publication programs carried out by SWIU, regardless of where they are undertaken—on either the two major campuses, Little Grass Lake or other international locations. And he sees this very diversity as one of Southern most valuable assets.

"The advantages to the school, the people of Illinois and to higher education in general of such a university whose total resource can be mustered to support unified programs would not be possible under a present administrative system," he explains. "For example, library holdings on both the Carbondale and Edwardsville campuses provide a wealth of material far beyond the capacity of a single library."

Emphasize Graduate Level "But an even greater advantage is that the school is in a position to provide a high level of instruction at both the high school and college levels in Oklahoma."

## 'Y' Hootenanny Saturday To Feature 6 Students

The YMCA will hold its second hootenanny from 11 a.m. to 1 p.m. Saturday in the Teen Town lobby.

The Teen Beats will be on hand to entertain. The group is composed of local students, including Charley Collins, vocalist; Eddie Lane, Marty Purdy, Nathan Bailey and Jim Whitely, who play electric guitars; and Terry Davis on drums.

An added attraction will be the Granite City Girl Beatles, whose identities are still concealed. Dave Walker will lead the group in singing folk songs. All junior and senior high school students were invited to attend. There is no charge for "Y" members and a 25-cent admission for non-members. Those wishing to participate in a future hootenanny program should inform the "Y."

## Parents Day Set This Weekend at Carbondale

Southern Illinois University will hold its annual Parents Weekend this weekend on the Carbondale campus.

Activities will begin Friday evening with a stage show in the SIU arena and will feature one of the top folk singing groups in the country, the Chad Mitchell Trio. The performance is sponsored by the Panhellenic and Interfraternity councils.

"Parents of the Day," selected by a drawing, will be announced at a convocation at 2 p.m. Saturday, with a style show and folk singing to be main attractions.

The Salukis will meet the University of Toledo in a football game at 8 p.m. Saturday; to be followed by a dance and hootenanny.

## SIU Collegiate Singers To Be at Alton Friday

The Southern Illinois University Collegiate Singers will present their first concert of the season in the gym of SWIU's Alton center at 8:15 p.m. Friday. It will be open to the public without charge.

The 24-voice ensemble will be heard in a varied program that includes a mass by 16th century composer Palestrina, a calypso song to the accompaniment of a bass, guitar and bongos, and choruses of "Il Trovatore" and "The Bartered Bride." The Madrigal Singers also will perform. Quad-Cities members are Carol Ann Lauer and Robert N. Wagner of Granite City and Margaret Champion of Madison.

## Checkerboard Squares to Be Featured in Magazine

The Checkerboard Squares, Debbie Smith, Bob Gibbs and square dancers, are scheduled to be featured in the "American square dance with Miss Sign." An interview is being arranged for the magazine, who said teens in Coach Steve Nizinski, Debbie Smith, Gene Hudson, Jimmy Taylor, Sherine Boyd, Shelly Boyd, Rick Couch and Suzanne Boyd said plans are being made to cover all aspects of Boy.

Transportation was provided by Mr. and Mrs. A. Weiss, Mr. and Mrs. Hayes, Mr. and Mrs. Elmore. Three of the Checkerboard Squares, Debbie Smith, Mr. and Mrs. Elmore, were asked to call upon Boyd and Mr. and Mrs. for the jamboree. They were Bob Boyd.

The Checkerboards also recently presented the feature dance of the eighth annual Hoosier Square Dance Festival at Evansville, Ind. Shelly Boyd, seven, directed 14 members in one number, and the Squares performed a blacklight waltz.

## Mr. 'TD' Dance Set For Friday After Belleville Contest

Granite City high school will hold its annual "Mr. Touchdown" dance after Friday night's game with Belleville in the girls gym. Mr. Touchdown will be chosen by the football players, with their choice subject to the approval of the coaches. To be Mr. Touchdown, a player must have good grades, be in good standing with the coaches and be a letterman.

An Indian theme will be used, with a golden football, scepter and throne in the form of an Indian teepee awaiting Mr. Touchdown. Cheerleaders and officers of the Pep club will escort the players and coaches onto the floor. The dance is sponsored by the Red Peppers and is open to all GCHS students.

## Two Named to Oratorio Society at U. of I.

Freely Jeffers, 2216 Woodlawn avenue, and John Veizer, 1817 Pontoon road, have been selected as members of the University of Illinois Oratorio Society, a choral organization which includes students, faculty and townspeople at Champaign-Urbana.

They were chosen after tryouts. Miss Jeffers, a graduate student, is an alto I, and Veizer, is a baritone.

## Venice HS Juniors To Give Class Play Friday Night

By JUDY REIDELBERGER

The junior class held a party today in the home room after a dress rehearsal for the class play—"The Boarding House Reach," which will be presented tomorrow night in the high school gym. Admission is 75 cents for students.

The play is about a 13-year-old boy, Wilbur Maxwell (Gerald Devany), who wants a bicycle but can't persuade his parents to buy him one. The parents are Lee Gontersman and Judy Reidelberger.

When father is called away for a week-long business trip and mother is persuaded to go with him, the house is left in charge of Wilbur's sisters, Connie (Barbara Manier) and Betty (Bernice Koelker).

Wilbur decides to open a board game to raise money for a bicycle.

The roomers include Lucy Burns (Barbara Mulnik), a walking encyclopedia; Mrs. Mott (Mildred Fries), who never says a word; Ninety-Volt Jones (Mike Scraggs), a beat-up pug; his wrestling wife, Ruby (Ralph Koelker, a senior); Mr. Porter (Terry Cooper), an insurance salesman; Limp McGuire (Charles Smith), his wife, Nora (Mary Jane Gray); Bernadine (Margaret Taylor); plainclothesman Connolly (Jerome McGone); Aunt Mary (Linda Seibert); and there's Wilbur's best friend, Herc (Larry Gahner).

Everything is going fine until 2 o'clock the next morning when papa and mama come dragging him home. Papa had forgotten his brief case. From then on it's a mess after another. Papa was to sleep on the floor because Wilbur rented his room.

Finally, it's discovered some or an Indian chief, but the director can produce a Lawyer, Butcher, and Baker, along with a Merchant, Miner, Pilot, Cook, Farmer and Clothier.

If you want to get Wild, look for a Fox or Crow—or even a Beaver, Crane, Fish or Weasel.

**MAGAZINE SALES END**  
Bernice Koelker was top salesman in the magazine sale conducted by the junior class. It was announced Monday. She it to receive \$30. Other winners are Jerry Devay, \$10, and Terry Cooper, \$10.

**'Y' Charters Bus to Rodeo in St. Louis**  
Second in a series of fall-winter trips has been scheduled for Saturday by the YMCA youth department. A chartered bus will leave the "Y" at 11:30 a.m. for the firemen's rodeo at the St. Louis Arena, arriving back at the "Y" at 5:30 p.m.

With space limited to about 30, reservations should be made as soon as possible. Cost will be \$120 for youngsters and \$225 for adults. Supervision will be provided, but children under six years old must be accompanied by a parent.

## Games in Names Played In SWIU-SIU Directory

There are more than 23,000 And Flowers Bloom in the directory in Southwestern and Southern Illinois University's new directory, but there wouldn't have been an "X" if Rodolfo Xavier II hadn't come from Bangkok, Thailand, to enroll.

That's just one of the interesting things to be learned from a study of the 190-page directory issued last week, the largest put out by the university to date. It's the biggest, probably the most accurate, and has the largest printing (6000 copies, or 500 more than last year).

Those with no imagination will doubtless let the directory lie around uselessly except to check the home or university address or telephone number of a student or faculty member at the Carbondale or Edwardsville campus.

But others will find that it's on the par with a mail order catalog for whiling away long winter evenings.

**Games in Names**  
Because there's games in them names.

With a little skipping around you can find descriptions of the students; some are Moody, others are Jolly, some are Sweet, Humble and Loving, while several are Cross and at least one is Shook; some are Rich, there are some Hicks, one is a Hippy and some are just plain Hellers.

Or, if you've lost your almanac, you can discover that you'll need your Slicker, because this Winter will be a real bummer with Rain, Frost and Snow, and a definite Hazzard of a Snow Storm or two.

Geography is theory too, and you can go East, West, North or South to Paris, Germany or Hawaii, up on the Hill, down 28-29 at the Thunderbird rink in the Valley, or by a Lake or Pond.

Was it an election forecast? The directory lists 126 Johnsons—but nary a Goldwater.

**Mystery Stories**  
For the mystery addicts, the directory has Spies, Blood, Gears, Slaughter, Graves and a Ripper.

There's plenty of material for a good mystery novel. You could put together one about Deanna Durpa and mama come dragging him home. Papa had forgotten his brief case. From then on it's a mess after another. Papa was to sleep on the floor because Wilbur rented his room.

Finally, it's discovered some or an Indian chief, but the director can produce a Lawyer, Butcher, and Baker, along with a Merchant, Miner, Pilot, Cook, Farmer and Clothier.

If you want to get Wild, look for a Fox or Crow—or even a Beaver, Crane, Fish or Weasel.

## Peace Corps Sets Exams For Saturday Morning

Examinations for prospective Peace Corps volunteers will be held at 8:30 a.m. Saturday in the federal (post office) building in East St. Louis, one of about 800 sites or send in \$1.50 for your Civil Service testing centers copy of the directory by mail.

Interested persons at least 18 years old who have not done so may obtain application forms at the local post offices and submit them at the testing centers. There are no passing or failing grades in the placement test. Results are used, along with character references and questionnaires, to determine if the applicant has the potential for completing a tough training program, and help in deciding the most appropriate overseas assignment.

The placement test has two parts: a general aptitude test and a modern language aptitude test—for which no knowledge of a foreign language is necessary. Total time required is about 1½ hours unless an applicant wishes to test his ability in Spanish or French. This would require an extra hour.

Married couples are eligible if they have no dependents under 18. College degrees are not necessary but are looked upon with favor unless an applicant has learned a skill or trade as carpentry, raising chickens or auto mechanics.

Freshman men's figures, John Micks, Don Manson, Dave Moerlein, Craig Shaneyfelt, Danny Tucker, Freddy Meyers, Ronald Ham, Dennis Jolly, Jeff Jolly and Terry Subre; freshman ladies' figures, Adele Travis, Jene Hackney, Cathy Black, Lynn Woods, and juvenile girls' figures, Patty Steiner, Tina Austin and Elaine Travis.

The next meet will be Nov. 18, down 28-29 at the Thunderbird rink in East St. Louis.

**2 Roller Skate Teams Take Firsts in Meet**  
Two roller skating dance teams from the Stoppokette rink here won first place in their events and two other entries took third in a Belleville meet during the weekend, according to results posted this week.

Try Subre and Jolene Hackney in the novice dance and Craig Shaneyfelt and Janet Stoppokette in the freshman dance. Placing third were Keith Mercer and Patty Steiner in the junior dance and Fred Meyers in the freshman figures.

Others participating in the freshman dance were David Moerlein and Cathy Black, Ronald Ham and Linda Zurkuhlen, Don Manson and Adele Travis, Dennis Jolly and Carolyn Biggs, Fred Meyers and Lynn Woods, Jeff Jolly and Elaine Travis, Danny Tucker and Tina Austin, and Jake Jacoby and Margaret Campbell.

State laws governing the sale of obscene literature have been reviewed by the members and a list of churches to which an explanation of the commission's purpose will be sent, has been compiled.  
The commission will hold its next meeting in the library of St. Elizabeth Hospital, Dec. 5.

**GC Parking Meter Income  
Totals \$3042 in October**  
Granite City's parking meter year now totals \$32,429, or slightly under the \$32,726 realized for the same 10-month period in 1963.  
The October income of \$3042 was identical to the amount collected in September when the meters were in operation two days less—25 days—for a \$121 daily average income.  
Top income month for the meters this year was August with \$3996, including \$274 in fines, closely followed by June with \$3934, of which \$290 was fines.  
The smallest monthly income was the \$2363 in January when fines amounted to \$87.

**4 GC Piano Students  
To Present Recital**  
Four young people from Granite City, pupils of Mrs. Orzanne MacDonald, will be presented in a piano recital Sunday afternoon at 4:30 o'clock at Bishop Tuttle Memorial, 1210 Locust street, St. Louis.  
Each student has memorized a 15 to 20-minute program by well-known composers.  
Rory Mills, a daughter of Mr. and Mrs. Joseph Mills, 2104 Cottage avenue, will play "Minuet" and "Musette" (Bach); Sonatina in G "Moderato" and "Romance" (Beethoven); "The Shepherd Dance" (Ruth Bampton), and "Good King Wenceslas" (J. M. Schauli).  
Mary Ann Milnarec, daughter of Mr. and Mrs. Frank Milnarec, 2541 Benton street, will play the following selections, Sonatina, Op. 38, No. 2 by Clementi, "Allegretto," "Allegretto" and "Allegro," and "Prelude in C Major" (Bach).  
Mark Freedman, whose parents are Dr. and Mrs. Melvin Freedman, will take part with "Prelude in C Major" (Bach), Sonatina in C Major (Mozart), "Allegro," "Andante" and "Allegretto Grazioso" and Suite by Igor Stravinsky, "Larghetto," "Moderato," and "Lento," "Vivo."  
Ronald Matson, a son of Mr. and Mrs. Harold Matson, 55 Janday lane, will play "Gigue" (Bach), "Pantasia" (C. P. E. Bach); Sonatina, Op. 55, No. 3 (Kuhla); "Allegro Con Spirito" and "Allegretto Grazioso"; "Melodie" (Chants du Voyageur) and "Menuet" (Paderewski).  
The recital is invited to attend the following selections, Sonatina, Op. 38, No. 2 by Clementi, "Allegretto," "Allegretto" and "Allegro," and "Prelude in C Major" (Bach).  
The Church Day is under the direction of the Rev. Samuel W. Jensen, dean of the St. Louis district.

**For the Tremendous  
Vote of Confidence**  
freely expressed by the people of Illinois in the Nov. 3 election, I am deeply grateful.

Such strong support indicates the voters desire a continuance of the most efficient government service at the lowest possible cost.

Next to the approval of the voters, the greatest satisfaction an office holder can enjoy is the approval which has been given my record by the leading newspapers of Illinois.

In my work as Auditor of Public Accounts for the next four years, I hope I will continue to merit your trust.

## Child Guidance Lecture, Film at YMCA Saturday

An illustrated lecture on the development of conscience and individual character in children will be presented at 3 p.m. Saturday in the YMCA by the Community Child Guidance Center.

Dr. Raymond Troyer of Southern Illinois University psychology department and counselor at the local center, will make the presentation. A film, "The Conscience of a Child," produced by Robert Sears of Stanford University for the National Education Association, will show actual research situations and how they involve a child's moral actions.

Dr. Troyer, commenting on the program, said, "Many persons, especially parents, are not aware that much important research has shown many techniques and procedures which can be of position value to parents as they seek to guide their children's moral as well as physical and intellectual maturity. We plan to bring some of these learnings to the attention of the group Saturday."

## Refrigerator Mishap Fractures Man's Hand

Carl Branch of 2429 Hodges avenue suffered a fractured right hand Monday when he caught it in a refrigerator door and was given emergency treatment at St. Elizabeth Hospital.

In other Monday mishaps requiring emergency treatment, Marty Ellenberger, 18-month-old son of Mr. and Mrs. Wesley E. Ellenberger, Rural Route One, fell from a chair and required four sutures for a cut forehead, and two-year-old Minnie Campbell, daughter of Mr. and Mrs. Arthur Campbell, 32 Lee Wright Homes, Venice, injured her left arm in a washing-machine wringer.

Fredrick Wicker, 16, son of Virgil Wicker, 2013 East 20th street, hurt his right hand while wrestling, and Nancy Oliver, 14, daughter of Mr. and Mrs. Helen Oliver, 2437 Edison avenue, was struck on the hand with a hockey stick at school.

## THIS I BELIEVE

The birth of Jesus Christ brought into the world an exceptional personality. He is the most extraordinary person to have been born of woman.

The form and manner of His conception and birth is exceptional. Unlike those who were begotten by a human father, He was of the Holy Ghost. Matthew 1:18, 20.

And though He later had brothers and sisters (half) added to His earthly relatives (Matthew 13:55, 56), yet they were born of Joseph and Mary the ordinary way.

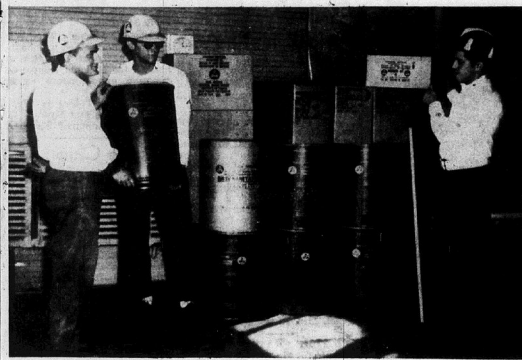

He was also extraordinary in Who He was. His name was to also be Emmanuel, which being interpreted is God with us. Matthew 1:23. To which Thomas joyously agreed when he exclaimed, "My Lord and my God." John 20:28.

He was fully man having body (Hebrews 10:5), soul (Matthew 26:38; Isaiah 53:10), and spirit (Luke 23:46).

But He was God in a body too (Colossians 2:9; 1 Timothy 3:16; John 1:1, 14). This appearance of God in man and fused with man, is God circumcised with an adopted nature for the saving of the human family. He was man, except He was sinless. He was God, except He was also man. A very extraordinary, exceptional personality. What do you think?

Pastor Kenneth V. Reeves

"Bunk!"  
"Hard to believe..."  
"Must have had a 50-year-old Rolls..."  
"Come on now..."  
"Amazing..."  
"This ad kills me..."  
"Incredible!"  
"Ridiculous!"  
"Far fetched!"  
"Hooley!"  
The 1965 Ford rides quieter than a Rolls-Royce!  
To the 5 out of 10 people who didn't believe this ad... a sporting proposition  
Take a no-obligation test drive in a 1965 Ford. Maybe you just couldn't believe the ad (reprinted above) which appeared in this paper a few weeks ago. After all, many consider Rolls-Royce to be one of the world's finest cars. But Ford does ride quieter. The world's leading automotive experts (Bolt, Beranek and Newman, Inc.) made the tests. The U.S. Auto Club certified the results.  
This year's Ford has the strongest body ever... a revolutionary new frame that "tunes out" vibrations... new ultra-soft coil-spring suspensions... all contributing to the new hushed ride. But the ride is only part of what's new.  
■ New sweep-back instrument panel adds five inches extra knee room. ■ Transmission tunnel is lower than in competing cars for extra foot room. ■ Trunk has more usable space than ever—holds four 2-suiters standing upright.  
■ New ultra-luxurious LTD series—unmatched by any other car in Ford's class. ■ Silent-Flotation (standard on 4-door hardtops) removes stale air, provides fresh air even with all windows closed. ■ Exclusive new twin-edge key—works with either side up.  
■ Hot, hot, hushed, 289-cu. in. V-8 is standard equipment in XL and LTD models.  
■ Smooth, thrifty all-new Big Six in other models—the most powerful standard Six offered by any car in Ford's class. ■ V-8 options to 425 hp.  
■ All Ford automatic transmissions have 3 speeds, not 2 as in many competing cars. ■ Fully synchronized manual transmissions— you can even shift down to first without clashing gears.  
If all this sounds like a lot for one car to offer... take a test drive. See why more people are buying Fords than ever before in post-war history.

### Betrothal of Miss Barbara Van Zandt Told

Mr. and Mrs. Porter Van Zandt, Christopher, Ill., are announcing the engagement and coming wedding of their daughter, Miss Barbara Jean Van Zandt, to John R. Sheeley, a son of Mr. and Mrs. Glenn Sheeley of Anna, Ill.

The bride-to-be, a fifth grade teacher at Frohhardt school, is a graduate of the Christopher Community high school and Southern Illinois University, Carbondale.

Her fiancé is attending Southern Illinois University after serving four years in the U. S. Marine Corps.

The wedding of the couple will take place in Christopher Dec. 27.

### Court of Awards For Brownie Troop

Girl Scout Troop 177 of the Marshall school met Monday evening at the school with their leader, Mrs. Ruth Nelson, for a court of awards.

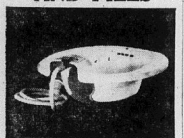

Mrs. Virginia Manietta, leader of Brownie Troop 624 presented Brownies who have been given the junior troop with one-year pins. Housekeeper badges and one-year pins were given the junior girls by Mrs. Nelson.

### Birthday Party For Cathy Modlin

Cathy Modlin celebrated her eighth birthday Monday evening at a party given by her mother, Mrs. Peggy Modlin, and her grandmothers, Mrs. Mildred Johnson and Mrs. Kathryn Heid at the Modlin home, 1904 Lynn avenue.

Those attending were Glenda Beavon, Sherry and Therese Steller, Debra Modlin, Sue Knoebel, Julie and Lynn Fehrman, Brenda Barr, Kim Linder, Judi Schoss, Robin Brewer, Debbie Conway, Vicki Littlejohn, Barbara Knapp, Joyce Novus, Lori, Linda and Darla Modlin and the honoree.

### now ease pain of HEMORRHOIDS AND PILES

Hospital Tested Method Reduces Painful Swelling; Lessens Danger of Infection

Now Available to the general public for the first time Portable Reg-U-Temp sitz bath is available in reducing burning and swelling associated with hemorrhoids and piles. Easy to use, it fits any toilet bowl and connects to a nearby faucet. Use in comfortable sitting position. Discarding not necessary. Bather and time wasted in preparing bath eliminated.

Leading proctologists advise that unlike salve and suppositories which temporarily ease the pain yet allow the condition to become progressively worse, sitz baths have a three fold beneficial effect: Rectal area kept clean, reducing danger from infection; Pain is lessened; Blood circulation is stimulated, reducing or even eliminating swelling.

Portable Reg-U-Temp sitz bath is ideal for preoperative and postoperative care and comes in an attractive water resistant and storage box and is sterilizable in alcohol.

### Turkey Dinner For Sr. Citizens

The Senior Citizens of the Anchorage were treated to a turkey dinner Monday evening at the reception hall by a friend, a local man, who wishes to be anonymous.

After the meal, served with all the trimmings, the group took part in games and a number of prizes, also provided by the host, were awarded.

The next "singalong" of the group will be held Tuesday evening when all will join in favoring old songs and Christmas cards, and on Sunday, Nov. 22 at 2 p.m. there will be a two-hour program by "The Entertainers," a local group, who will present musical selections and comedy skits. The public is invited to attend.

### Mrs. Miller is Hostess for PEO

Mrs. Bernard Miller sr., 3230 Princeton avenue, entertained Chapter III of the P.E.O. Monday afternoon.

Luncheon was served to 17 members and Mrs. David H. Maxton, Cutty's College chairman, reported on a recent visit to the college where her daughter, Ruth, is a student.

Tentative plans were made for a Founder's Day to be given Jan. 21 by the P.E.O. St. Louis Cooperative Board which is made up of nine chapters.

Mrs. E. P. Beske gave the program for the day on "International Peace Scholarships." There are now 81 students from 19 countries attending college on these scholarships, it was announced.

MISS KAY SANDRA DITCH, whose engagement to Thomas R. Abbott of Arlington, Va., is announced by her parents, Mr. and Mrs. Jesse Ditch, 1619 Second street, Madison. The wedding is planned for early spring.

## Fire Burns Out Home on Denver St. --\$6000 Damage

Spontaneous combustion was blamed for a \$6000 fire about 10:15 a.m. Tuesday that burned out the entire interior of the four-room frame home of Mr. and Mrs. Thomas Land, 2617 Denver street.

No one was home when the blaze was discovered by a neighbor who turned in an alarm. Firemen from the West Granite station said smoke was pouring from the eaves as they arrived. Firefighters were on the scene an hour to extinguish the blaze and one truck returned when fire debris began to smolder.

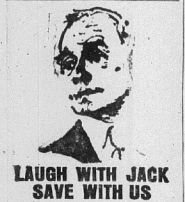

A fireman, Charles Hillman, suffered bruises to his body when he entered the smoke-filled house and stumbled. Assistant Fire Chief Curtis Donley said the fire started in a bedroom closet. He said the wiring for the closet light was adequate and was not the cause of the fire. Damage was set at \$3,600 to the building and \$3000 to the contents.

Mrs. Land had been gone 30 to 40 minutes and was at a nearby laundromat. She was returning home for a second basket of clothing when she heard the sirens. "When I passed Washington school, the children were on the playground for recess and I heard them yell, 'That's June's house,'" June is Mrs. Land's 11-year-old daughter, a fifth grader at Washington school.

Mrs. Land said she ran screaming to the house, but neighbors held her back. All of the family's possessions except the clothing at the laundromat were damaged or destroyed. The contents in the rented house were insured.

### Thefts from Autos

Gary Crader, 1306 Robin street, Venice, reported to Venice police Tuesday afternoon that a thief had stolen the spark plug wiring and a distribute cap from his father's car parked in the 500 block of Washington avenue. A few minutes later Fred "Corky" Duran, also of Venice, reported the distributor had been stolen from his car while it was parked a few blocks from where the Crader car was located.

## \$5000 'Tree of Lights' Goal For Drive Starting Dec. 5

The Quad-Cities annual "Tree of Lights" campaign to raise \$5000 to provide food, clothing and toys to needy area families at Christmas time will begin Dec. 5. It was announced Monday night at a meeting of the Salvation Army's advisory board. The goal is an increase of \$500 over the 1963 campaign.

Henry D. Karandjoff, who headed last year's drive, Roy Lynn and A. C. Stoeber were appointed to select the 1964 "Tree of Lights" chairman. Additional projects to be sponsored by the Salvation Army in connection with the holiday season include a "clothe-the-child" program and a Christmas party

for the Golden Agers club. Assistance from area organizations to man Christmas kettles also will be sought. Albert Ward Jr. and Chris Paschoff, advisory chairman, reported on the "clothe-the-child" program. Persons who desire to make donations for children's clothing may send contributions

to P. O. Box 400, Granite City. Capt. Mildred Walker announced that donations for the Salvation Army's general program of assistance, which includes baskets, food and toys, should be sent to the usual mailing address, P. O. Box 338. In memory of Mrs. Lulu Edwards, a former member of the

advisory board and Golden Agers club, the board agreed to defray expenses of the club's annual Christmas dinner party, to be held at the YMCA Dec. 9. Board members and their wives will attend. Mrs. Edwards, who died last month, was active in the Golden Agers, senior citizens group sponsored by the Salvation Army.

**NOVEMBER 5, 1914**  
Alderman John Moxness and Frank Strackelbach of Granite City, together with Herman Engleman and several farmers, were residing in the neighborhood of Naneski and Mitchell, enjoyed an old-fashioned wolf hunt in fields and woods surrounding the two villages. But they were unsuccessful in their efforts to find the neighborhood of the animal, which has been robbing hen houses and poultry yards for several days.

The wolf, a large specimen of the gray wolf variety, was first discovered a week ago by George Hollins, a clerk at the Gloucester plant, while he was hunting in that vicinity. Hollins took several shots at the animal but it escaped.

One day last week while Herman Engleman, who resides near Mitchell, was in the fields working, Mrs. Engleman, who is an expert shot, discovered the animal in their chicken yard. She secured a rifle and, after shooting at the wolf and running for her life, she called her husband to the house and told him of the wolf's presence. Engleman made a search, but only succeeded in getting four shots at the wolf. Where the animal came from is a mystery. The only solution anyone can give is that it is the one that escaped from a cage at Stuenner's residence.

Several weeks ago, some one opened the cage in which the gray wolf, which had been there all summer, was kept and it escaped.

Residents of Granite City who have been paying one, two and three dollars admission to witness high-class comedies of the present St. Louis theatrical season will be interested in the announcement that, on Nov. 25, there will be staged in the gymnasium of the Granite City high school, building No. 1, a comedy in three acts. It gives ample promise on being the choice laugh-provoking sensation of the year.

The event was dropped by the units of the national Catholic Youth Organization, which are being formed in each of the parishes of the Tri-Cities under sponsorship of Bishop Griffin of the Springfield diocese, with recreation teams from each group competing.

The club of St. Joseph's Church was reorganized at a meeting and the following standing committees were appointed by the president, Damien Caffrey, publicity, John P. Peterson, membership, Joe Geisler, John Polson, Dorothy Luedke and Betty Jane Duthick; and program, Wanda Lottus, Bob Peterson, Warren Knobbe and Eugene J. Jek.

News that the East St. Louis Library has ordered its three copies of Steinbeck's "Of Mice and Men" destroyed caused the Press-Record to interview Mrs. Olive Belle Stallings, Granite City librarian. Mrs. Stallings said the library was not in haste to lay in the book but that many calls for it at the board decided to place the book on its list.

Mrs. Stallings said there is no reason for attempting to suppress a book so widely read as "Of Mice and Men." However, she said it had invariably been out when called for by students, only adults have been fortunate enough to find the volume in when they applied for it. Book readers generally ignore the local policy over the policy reported from the neighbor city.

The Tri-City chapter of the American Red Cross, through the local chairman, Mrs. Jeanne Resemmy, announces today that the annual membership drive for the Red Cross is starting. The drive is being conducted by all of the Tri-Cities. Through Lawrence McCauley, who is serving as chairman for this annual drive, we learn that the Red Cross this year hopes to secure a membership from every adult present in the Tri-Cities.

McCauley pointed out that this year, as never before, the Red Cross needs the membership in order to carry on the tremendous program for alleviating human suffering throughout the world. It is the agency which in times of war and peace is designed to further a feeling of neighborliness and to give assistance wherever there is suffering. Annual membership is \$1.

Madison village trustees heard a verbal report of a fire at the residence of one of the village's residents (529,000) on the \$2,300,000 in bonds outstanding against it. According to Anderson's report, there is now considerably more interest funds on hand than last Monday.

### Latest Expansion An Important Milestone In GC Steel History

Announcement of plans for expenditure of \$120 million by Granite City Steel Co. during 1965, 1966 and 1967 is good news for the firm and the Quad-Cities. Basic oxygen furnace facilities and modern steel mills are becoming a must in the fast-changing steel industry, and it is essential that the local steel producer—now 13th largest—remain able to compete on equal terms. Organizing department expansion also is in progress.

Securities and Exchange Commission rules limit comment by the company at this time, but disclosure in New York of a 30-year \$30 million public debt issue indicates that the financial planning has advanced to a decisive stage. Note purchase agreements which could total \$55 million currently are under negotiation, the statement shows.

More details of the capital improvements are expected to become available this winter, when the full impact of the major expansion program can be assessed. But already it appears that the company has successfully reached an important milestone in its history.

### Mountain Of Campaign Material Included Many Worthwhile Stands

Ballot counting and canvassing will soon be over, and Press-Record staff members must face up to a rugged task—disposing of the mountain of election information which has been growing ever higher since early last spring.

Volume was greater than usual due to the spirited statewide races and also because of the large election in which all Illinois House candidates had to campaign statewide. The torrent of biographies, statements and charges reached a crescendo in late October.

There is no regret over discarding much of the propaganda, however enlightening it may have been. The time has come to close ranks behind new and re-elected officials, until the next pre-election period arrives. It is important to make it clear that many of the people going into at least a temporary limbo had something worthwhile to say, said it and lost anyway.

Few would disagree with the secretary of state candidate who pledged to use the full influence of the office to remove employees at all levels of government from unsavory aspects of the patronage system. Another candidate informed the Press-Record, "If chosen as lieutenant governor, I pledge to work for legislation that will give local government officials more control of their tax dollars, reversing the trend toward centralized government which can destroy our freedoms. A strong democracy depends on strong local governments, making it more difficult for special interest groups to gain control."

Neither man was nominated, much less elected. Many other high-caliber candidates failed to get their campaigns off the ground. But it was encouraging to note the large number of capable people willing to try for office. If this trend can be fostered, disappointments will not be eliminated but the net result could be a quality government, which is the real goal of the election process.

Just about the time a fellow thinks he can make both ends meet, somebody comes along and mows one of the ends.

### Witness Immunity Law Revision

Third of a group of bills proposed by the Chicago Crime Commission and introduced in the Illinois General Assembly is a key law enforcement weapon. A key law enforcement weapon is the right to give a witness immunity from prosecution in order to persuade him to provide needed evidence.

This device has long been and again provided proof needed to convict higher-ups in criminal activity. Under the Illinois Criminal Code, immunity from prosecution would be severely hampered.

For many years, the existing immunity statute (drafted by and adopted at the urging of the Chicago Crime Commission) has been the subject of a long and bitter fight. This is because it was felt by the courts that immunity could be given for crimes committed against jurisdictions other than Illinois.

### Thousands Share Credit For Bright United Fund Outlook

Apparent success of the current United Fund campaign reflects credit on all who played a part in the community-wide drive for \$353,000 to finance operation of 17 service agencies during 1965.

Just as the United Fund health and welfare program conducted over a year-round basis, fund-raising is geared to all 12 months of the year. Equally important as the immediate contributions is the fulfillment of all pledges of continuous giving.

Under the leadership of Joseph Glik and John Hundley, hundreds of solicitors and thousands of contributors have done their fair share toward making the Quad-Cities an outstanding place to live and work—a community of which all can be proud.

The drive of recent weeks sets a high standard of dedicated community service—a pattern that will be a privilege as well as duty to strive to duplicate in succeeding years.

### Chamber In Unique Position To Aid Community Betterment

The annual meeting of the Tri-Cities Chamber of Commerce, attended by 350 persons from all walks of life, spotlights the unique role of the organization. Representing virtually all segments of the population, it has the size, scope and singleness of purpose to play a leadership part in transforming potential community improvement and development into reality.

While current emphasis is on the future, the report on 1964 activities is revealing. It shows thoughtful discussion and action directed to such diverse subjects as agriculture, business practices, civic teamwork, industrial expansion, health, legislation, education, regional cooperation, planning and zoning, speakers bureau, tourism promotion, safety, sewerage and drainage, Southwestern Illinois University liaison, transportation and highways, dedication of a new post office, improvement of the airport, air and water pollution and countless other current issues.

It would be difficult to assemble a complete list, but the report shows clearly that the Chamber is working regularly and effectively not only for improved business conditions but for many other goals of direct benefit to each Quad-City resident, employee and visitor. Because of its broad program of action and planning, it deserves equally wide support in all civic betterment endeavors.

### Setbacks As Well As Progress In Fight Against Tuberculosis

Start of the annual Christmas seal sale Nov. 16 focuses attention on the battle against tuberculosis, including free chest x-rays and other services financed by the seals.

Although the number of persons treated at the Madison county sanatorium continues to decrease slowly, average length of stay has risen and the seriousness of cases has increased, indicating that "satisfactory control of tuberculosis will elude us," Dr. Luis Ventura, medical director, reports.

Thousands of lives have been saved by the educational program of the Madison County Tuberculosis Association, but the need to continue the fight on numerous fronts is obvious. If the efforts are maintained and expanded, perhaps someday hopes for conquest of tuberculosis will be realized.

### State Boat Launching Facilities Scheduled At Lewis And Clark Park

State approval of a \$22,795 expenditure for a free public boat launching point is expected to lead to fuller utilization of its location, the Lewis and Clark Memorial Park as well as providing water enthusiasts with convenient access to the Missouri and Mississippi Rivers.

The proposed ramp and parking area at Lewis and Clark will be similar to existing launching facilities at Venice.

With many commercial and club harbors also in operation, and steady progress being made toward elimination of river pollution, the current increase in the number of Quad-City boat owners seems likely to continue and accelerate.

## YOUTH APPRECIATION WEEK

NOV. 9-15

SPONSORED BY OPTIMIST CLUBS

(Youth Appreciation Week Statement by the 2300 Optimist Clubs of U. S. & Canada. They began sponsoring the observance in 1957)

### For Youth—A Pat On The Back

In April of this year, President Johnson recognized a group of youngsters in their early teens, each of whom had saved the life of another youngster in the course of his duties as a school safety patrol boy.

At that same time in a major metropolitan city, a gang of teenage hoodlums made an unprovoked attack on two college students. One of the students was taken to a hospital and the other was taken to a hospital.

What was the difference between the two groups of youngsters? The difference was that the youngsters who saved lives were given a pat on the back, while the youngsters who caused trouble were given a pat on the back.

Let's all participate in Youth Appreciation Week. Let's give a pat on the back to that great majority of our youth who are good citizens and doing a commendable job of the difficult task of growing up.

Let's give recognition to our outstanding young citizens, and while we can't (and shouldn't) ignore that five per cent who are trouble makers, let's take them for just what they are—a misguided minority who are a noise far out of proportion to their numbers.

Youth Appreciation Week is not an attempt to whitewash the record of our youth—just an attempt to place it in its true historical context as an annual observance.

### Freedom's Meaning

Knowledge, courage, perception and determination are the qualities that keep men free. (c) Freedom's Crusade

dict the sales tax fund will soon evaporate. Motor fuel tax will not be enough to take care of the highway needs. After the tax will borrow, borrow and borrow. Who will pay in the long run? We, the taxpayers.

I sincerely believe that it is what will happen if the people of this city do not start at this time to cancel meetings. They should also protest the use of sales tax money for street improvements; this money is needed elsewhere. Some Ward will get it all, and some will get nothing.

I would protest very loudly to my alderman; that is, if I didn't live in Alderman Nonn's Ward. MIKE MEJASKI, 2926 Harding Blvd.

### BLIND YOUTH DENIED AID FROM COMPANION

To the Editor: The law governing voting procedure permits a blind person to take anyone he chooses into the booth to mark his ballot.

On Nov. 3, 1964, the officials of Precinct 35 denied me that privilege. They said that because I am blind, I am not permitted to take anyone into the booth to mark my ballot.

I asked them to give me a written statement to that effect. They refused. I then asked the point until one got the book of voting regulations and read the provision for voters who are blind.

He read from the Illinois Statutes, Pages 281, Section 17-44, 5th paragraph. Assistant to the Registrar, I will quote: "If such physical disability is by reason of paraplegia or blindness, the voter may be assisted in marking his ballot by a relative or friend of his assistance."

Paraplegic and blind with fact has the ability to describe others as they see themselves.

### Parking Lot Accident

Donald Campbell, 4039 Melrose Avenue, reported at 8:25 p.m. Monday that while he was leaving his car in the Village Shopping center parking lot, he collided with a parked 1964 sedan, which was in its right rear. The left front of his car was damaged.

## Education Week Programs Continue

American Education Week observances are continuing in local schools with programs set for tonight at two buildings.

Stallings school open house will begin at 7:30 and the Venice Lincoln school from 7 to 8:30 p.m. The Louis Barr school, Madison, is continuing its visitation period through 4 p.m. today.

On Nov. 17, next Tuesday, Frohardt school open house will be held with a regular PTA meeting at 7:30 and the Wilson school open house will be next Thursday, Nov. 19, from 7 to 8 p.m.

## Hildreth Participant in Army Drill in Germany

Army Specialist Four Donald R. Hildreth, 20, son of Mrs. Louise V. Hildreth, Madison, and other members of the 126th Maintenance Battalion participated in a four-week field training exercise in Jülich, Germany, this fall.

During the exercise, Hildreth received extensive instruction in weapons firing and small unit tactics under simulated combat conditions. A mechanic in Co. D, he entered the Army in November 1962 and arrived overseas in June 1963. He is a 1962 graduate of Carmel township high school.

## Six-A-Day Average

# Traffic Crashes Continue to Set Records

Traffic accidents continue to set records this year in the Quad-Cities and October was no exception with 208 crashes, 112 injuries and four deaths.

While October accident statistics did not break any monthly records, they equaled the most severe months for injuries and deaths. The number of accidents was topped only by March when 212 crashes were reported. The 112 injuries were equaled in May and the four deaths were equaled in March.

The number of deaths for any one month was exceeded in 1963

in February when six persons were killed and equaled in December.

Despite the drastic upsurge in traffic accidents and injuries, the traffic death toll for the 10-month period this year is below the 29 recorded for the same period in 1963, which ended with 36 traffic fatalities.

The 10-month comparison figures for 1964 and 1963 show that this year there were 1833 accidents with 940 injuries and 19 deaths in 1963, which ended with 1538 accidents, 662 injuries and 29 deaths.

## Vets May Reopen NSLI Policies after Next May

The Veterans Administration is preparing to handle next May's flood of applications for the reopening of National Service Life Insurance as provided for in the bill President Johnson signed into law Oct. 13, 1963.

Gleason said that more than three million veterans with service-connected disabilities, and the unknown number who up to now have not applied for service-connection but can do so in order to obtain insurance, may now be eligible to buy up to \$10,000 in permanent GI insurance coverage.

In addition, another unknown number of veterans whose disabilities are not service-connected may also be able to purchase up to \$10,000 in coverage.

They may do this under terms of the new law on or after May 1, 1965, and before May 3, 1966, the VA pointed out.

The VA is planning before May 1, 1965, to mail full details and application forms to all veterans receiving monthly compensation payments.

Those veterans whose disabilities are service-connected but who are not drawing compensation will not be included in this mailing. For those, and for other veterans who believe they may be eligible, full explanatory material and application forms will be on hand at all VA Regional Offices by April 1965.

No applications can be accepted before May 1, 1965. Because of this, the VA requests that veterans do not write, phone or call for applications until after April 1, 1965.

Persons now on active duty with the Armed Forces and certain Philippine veterans are not eligible to take part in the insurance re-opening.

Expenses of all medical exam-

inations that may be required must be borne by the applicant, VA said.

To buy this insurance the veteran must:

(a) Have been originally eligible for National Service Life Insurance (NSLI) between October 8, 1940, and January 1, 1957.

(b) Have now either no GI insurance or less than the \$10,000 in authorized coverage.

(c) Be in one of the following three groups:

1. Veterans with service-connected disabilities who meet standards of good health.

2. Veterans whose non-service-connected disabilities alone do not permit them to meet standards of good health.

3. Veterans whose non-service-connected disabilities as of October 13, 1964, the date the bill was signed into law, prevented them from buying commercial insurance at the highest rates.

Higher premiums will be charged those veterans in groups two and three. In all cases, the premium rates will cover administrative costs as well as the policy value.

The new policies will be issued at low non-dividend rates which will compare favorably with the net cost of world war II GI insurance.

In addition to the re-opening of NSLI, the new law allows veterans who already hold existing world war II or Korean Conflict-type term policies to convert to a modified life plan. The one-year time limit does not apply to this provision. The VA plans to notify all term policy holders of this new modified plan at the time of their renewal.

This plan is an inducement to term policyholders to convert to a lifetime level premium plan before the premiums on renewable term insurance become prohibitive with increasing age.

Some three million NSLI policyholders still hold term insurance policies the VA reports. The advantage of this new modified plan is that it permits conversion to permanent type insurance at lower premium rates than possible before, but the face value of the policy will be automatically reduced by 50% when the insured reaches the age of 65.

The policy holder has the option at that time to restore the full amount of coverage by purchasing ordinary life insurance without medical examination.

## Daily Rate Increase

Traffic accidents are occurring at the rate of six-a-day in the Quad-Cities area this year, compared with 4.4-a-day last year. The personal injury frequency is three-a-day this year, while in 1963 it was 2.17.

In October, the daily accident average was 6.7 while the injury rate was 3.6. The averages for October 1963 were 3.9 accidents and 2.39 injuries a day.

Authorities have expressed fears that the accident rate will mount more severely as bad weather with ice and snow arrives. December usually is the peak month for traffic accidents and injuries.

In December 1963 the area's totals were 225 accidents with 112 injuries and four fatalities. The November figures were 144, 60 and 3.

**Monthly Breakdown**  
A monthly breakdown of the Quad-Cities accidents, injuries and deaths (in that order) follows:

January—189, 75 and 2; February—163, 61 and 1; March—212, 108 and 4; April—175, 69 and 2; May—197, 112 and 2; June—178, 97 and 0; July—168, 87 and 3; August—178, 83 and 1; September—185, 103 and 0; October—208, 112 and 4.

## Clergymen Get Chance For Social Security

A recently enacted law makes it possible for many ministers, members of religious orders and Christian Science practitioners, whose date for electing Social Security coverage has previously expired, to now obtain such coverage. It was announced by the U.S. Treasury Department.

The new law provides that an individual may obtain coverage by filing a valid waiver certificate on or before the due date of the return, including any extension, for the second taxable year ending after 1962, if the person has had net earnings from self-employment of \$400 or more, some part of which is derived from the exercise of ministry or practice, for at least two taxable years ending after 1954.

For most taxpayers this will be no later than April 15, 1965. The certificate will be effective for the taxpayer's first taxable year ending after 1961 and for all succeeding years.

Further information is available at the Social Security office, East St. Louis, BR 4-2200, Station 334.

## County Taxpayer Group Votes Zoning Opposition

The Madison County Taxpayers Association directors met Monday at Edwardsville and unanimously approved a resolution calling for the county zoning code to be rescinded by the county board of supervisors.

William Stutz, president of the association, said the resolution is to be submitted to the county board at its meeting next Tuesday morning in the courthouse at Edwardsville.

The resolution adopted by the MCTA board Stutz says, points out the county zoning code is "unjust, unfair and very discriminatory and unfairly administered."

Stutz added that farmers strongly oppose the code which is designed for rural and unincorporated areas of the county.

There are no Quad-Cityans on the associations board of directors.

## School Hiring Deferred Again; 116% UF Gifts

Hiring of seven cafeteria employees again was put off Monday night, but Granite City school board minimized any link with "politics."

The board agenda, included "policy regarding employment of cafeteria workers—available at board meeting," Supt. Russell D. Johnson said the policy was not yet ready but is nearly complete and will be submitted soon. Deferral of hiring was not an indication of how badly an applicant needs work remains the chief problem in drawing up hiring methods, he added.

Board Member Robert Spengler Monday night cited public discussion of political favoritism, and Supt. Johnson said the fear of a political attack by a member of the board was not a factor in the decision to delay hiring.

The superintendent said the rumor has grown to include him "tearing up a list of names," he has not torn up the list, but side-lined the policy.

Board President Daniel Lindner said the only names under consideration are those for whom applications have been on a file for a long period of time. There are 31 on the waiting list. No reference was made this week to an Oct. 27 comment about hiring discretion being left to school board members; it was this that had prompted Buske's warning.

While the board discretion aspect was not mentioned, Supt. Johnson said that if the issue arises, "I'm against politics" in hiring decisions. Supt. Johnson replied, "So am I, and I don't think there will be."

**Source of Recommendation.** Distinction traditionally drawn between political and non-political school hiring is whether the recommendations are from board members or school administrators. Board positions are elective, while administrators are appointed.

The board this week accepted a resignation effective Dec. 22 from Mrs. Carol Duffelway, 3300 Wilder drive. Emerson kindergarten teacher, whose husband is being transferred to Chicago by Swift & Co.

A leave of absence due to illness was granted to Mrs. Beverly Prosser, Varsityville second grade teacher.

A monthly travel allowance report, first in its type, showed 12 employees who are paid stipulated annual amount. They currently received \$375 a month.

**RECTOR INSTITUTED.** The Rev. Paul Dicks (left), rector of St. Bartholomew's Episcopal Church, was in a ceremony conducted this week by Rt. Rev. Albert A. Chambers, Bishop of Springfield.

## Ceremony of Institution Held for Rev. Paul Dicks

The Rev. Paul Dicks was inducted as rector of St. Bartholomew's Episcopal parish this week by Rt. Rev. Albert A. Chambers, Bishop of Springfield. The Rev. Ven. John Young, Archdeacon of Alton, read the Letter of Institution and John Phillips, Rector of the parish, gave the benediction.

Other clergy who took part in the procession were The Rev. John Meyer, Alton, who was the bishop's chaplain; The Rev. Les Wilson, Collinsville; The Rev. William Leaky, East St. Louis; and The Rev. Robert Mayo of St. Louis. Edw. Votaw, Peoples Warden of the parish also was in the procession.

Visiting local clergy present were The Rev. Gordon Strickland of St. Gregory's Armenian Church and The Rev. Peter Strombock of Holy Trinity Bulgarian Orthodox Church.

After the service a reception was held in the parish hall and a meal was served.

## Farm Column By IRUMAN W. MAY Madison County Farm Advisor

### FISH KILLS CAUSES FROM MANY SOURCES

Whenever dead fish are found in rivers, lakes and ponds, many people right away lay the blame on chemicals used by farmers to control insects. Much misunderstanding has been caused by writers who have jumped at conclusions in their attempts to produce sensational news.

A report from H. B. Petty, extension specialist in entomology at the University of Illinois, and William F. Childers, biologist of the Illinois Natural History Survey, gives us some interesting information on this controversial subject.

Fish kills have had far more publicity this year than in the past, says the report. Besides, specifically insecticides, have commonly been blamed for many of the kills. Insecticides can kill fish when concentrations reach toxic levels, which vary with the insecticide and the conditions of the contamination.

Fish diseases, liquid fertilizer, industrial waste, sewage, silt and other things can kill fish in a majority of the 1964 cases.

It is now estimated that endrin probably killed 175,000 fish in the Mississippi river this past winter—not the 5,000,000 originally estimated. The contamination may or may not have come from a manufacturing plant; this question is still being debated.

Excessive rains flushed sewage and silt, not pesticides, into the Missouri river, causing oxygen depletion and resultant fish kill. A fish kill in the Illinois river, although not positively determined, may also have been caused by oxygen depletion because of heavy siltation. Death of large numbers of one fish species in the Vermilion river may have been due to a secondary bacterial infection attack which fish already weakened from some unknown cause.

In several instances liquid fertilizers, accidentally introduced into Illinois streams, killed many fish.

As indicated, there are many causes of fish kill in ponds and streams. Insecticides are only one of these causes. Some insecticides are much less toxic to fish than others. Proper selection and use of insecticides will reduce potential danger. We urge extreme care and caution in applying insecticides.

## Optimist Clubs to Open Yule Tree Lot Nov. 30th

The annual Christmas tree sales lot operated jointly by the Twilight and Noonday Optimist Clubs will be located this year on the W. T. Grant Store parking lot in the Nameoki Village shopping center, it was announced Monday night at a dinner meeting of the Twilight Optimist Club.

Co-chairmen of the 1964 Christmas benefit project are Gordon Hoerner of the Noonday

**Water Line to Prather Gridiron Authorized**

Installation of a water line to Prather junior high school football fields was authorized Monday night by the Granite City school board. Initial cost is estimated at \$1400, with water used necessary turf for football.

One thousand feet of 2½-inch pipe will be extended from an existing meter at West 25th street to the football playing area. Sprinkling with water is expected to aid in establishing necessary turf for football.

To improve the dusty Prather baseball diamond, 10 to 12 loads of clay are to be purchased at a cost of \$1 a load and added to sandy surface areas.

Clay also is to be added to the Granite City high school and Couglidge junior high baseball diamonds. The GCCHS football field has a satisfactory stand of bluegrass and fescue and is to be fertilized, spot seeded and aerated.

GCIS and Prather athletic tracks are regarded as in good condition and will be raised and shaped after the last freezing and thawing of winter.

Supt. Russell D. Johnson told the school board it is hoped to have all Prather teams playing their home athletic contests on the Prather grounds, rather than having some games transferred to other locations.

Playing any insecticide near streams and ponds. When fish die, examine all possible causes, including pesticides.

## Sister of Local Woman Dies In East

Funeral services were held Tuesday in Pittsburgh, Pa., for Mrs. Jean Schott, 35, of this city, a sister of Mrs. Mary A. Partridge, 2701 East 24th street, the death was attributed to leukemia.

Burial was in a Pittsburgh cemetery. Also surviving Mrs. Schott are four small children.

## Chamber Launches Industry, Airport, Planning Studies

Committee studies were instituted Tuesday night by the Tri-County Chamber of Commerce on four topics. The monthly board meeting was held at the Rose Bowl.

The Industrial Development Committee was asked to study feasibility of the Chamber joining a two-county industrial development organization proposed by Illinois Power Co. to recommend a Chamber stand on a Mitchell airport proposal; and to prepare to support local industrial expansion efforts.

The Planning and Zoning Committee was instructed to assemble background information relating to city planning needs.

**Back County Zoning.** Strong Chamber backing was voiced for retention of Madison county zoning, described as vital to the protection of local residents' investments in homes. County supervisors are to be contacted.

Chamber directors also made plans to continue attendance at meetings related to widening of Namoki road and improvement of the former downtown post office site. Full support was given to current anti-fire efforts in the downtown area.

Granite City Steel Co. hot strip mill, furnace and galvanizing line expansion plans drew praise from Chamber board members, who predicted the program will stimulate other local industrial growth. It was noted that next Tri-County Regional Port District facilities may go into operation in the next several weeks.

**January Agriculture Dinner.** Plans were made to postpone the annual agriculture banquet from December to January. Revenue attention is being given to the Sunday session opening.

Use and to the need for new highway signs showing how to reach the Quad-Cities. Closer contact with local motorists was discussed, and attendance at "town hall meetings" was urged.

A report was given on the annual Chamber membership dinner Nov. 3.

## Auction Barn, Washing Machine, Bed, Cars Burn

Granite City firemen responded to six alarms, three of which involved autos, from Tuesday afternoon through Wednesday morning.

Burning trash ignited Alderman Donald Partney's auction barn at West 25th street and Logan avenue, causing \$190 loss to the building and \$125 to the contents late Wednesday morning.

A cigarette caused \$50 damage to a bed in an apartment at 1894 State street, owned by Mrs. Kacaloff, at 10:50 p.m. Tuesday, and a washing machine short circuited in a laundry at 1601 Pontoon road at 4 p.m. Tuesday, causing no damage.

Carburetor bellows caused \$50 damage to autos of Ben Cook, Granite City Army Depot, at 11:10 p.m. Tuesday. At 2:50 p.m. Tuesday, fire from Victory drive and to the auto of Richard Barker, 2815 Myrtle avenue, at 5:55 p.m. Tuesday, at 2815 Myrtle avenue. A fire of undetermined origin caused \$100 damage to the front seat of a 1964 auto owned by Andrew Opah, 2401 Hodges avenue.

**Daughter for Former Madison Resident.** Flavy Freeman and Mrs. Freddie Novosel of San Diego, Calif., became parents of their first child, Nov. 30, at the San Diego Naval Hospital. The name Mary Dee was selected for the new arrival, who weighed six pounds and two ounces.

Novosel, a Madison high school graduate, is expected to receive civil discharge tomorrow after four years in the service. He recently returned from a tour of duty in the Far East. The grandfather is Steve Novosel of Collinsville, formerly of Madison. Mrs. Novosel is a native of Houston, Tex.

## Vending Machine Found

A penny vending machine stolen from Fag's Confectionery, 117 Weaver street, Venice, on Nov. 6, was found in the yards of the Fox Bros. Industries Corp., State and Market streets late Monday afternoon. The machine was damaged, and the money had been taken from the coin box. The machine was found by Nick Wanko, a superintendent at the Fox Brothers plant. It was turned over by Madison police to Ted Keck, Waterloo, operator of Ted's Vending Service which owned the machine.

## Convertible Top Slashed

Richard O'Keefe, Belleville, reported that vandals slashed the canvas top of his 1961 convertible while he was stopped between 10:40 and 10:50 p.m. Tuesday at 14th and State streets before reporting for work at General Steel Industries.

## Recommend Reckless Homicide Charge

A verdict returned by a jury investigating the death of Deborah Fay Blanton, 14, of 4816 Warnock avenue, recommended Tuesday night that Charles L. Jones, 28, driver of a car that struck and fatally injured the girl, be held for action by a Madison county grand jury on a charge of reckless homicide.

The girl daughter of Mr. and Mrs. Charles Blanton, was struck by a car driven by Jones, of 2144 Iowa street, while she was standing in the yard at 2545 Morrison road on the night of Oct. 31. The girl and several companions had been on a "trick of treat" expedition in the neighborhood. Jones' car went into control and struck the girl, who was killed.

Jones was charged with reckless homicide at the time of the accident and has been free on \$10,000 bond. The inquest was conducted by Henry Pieper, deputy coroner, at Pieper's funeral home, 1929 Cleveland blvd.

## Venice Man Dies at 60 of Heart Attack

Looy McClelland, 60, of 48 Lee Wright Homes, Venice, died at St. Elizabeth Hospital at 4:58 p.m. Tuesday of a heart attack, despite efforts of the Venice Fire department rescue squad to revive him by use of an ambulet.

McClelland suffered the attack in his home where the rescue squad was summoned into an ambulance, which he called. He was taken to the hospital in an ambulance, accompanied by firemen who continued to apply oxygen. McClelland was pronounced dead at the hospital. He was a retired laborer for the Washburn railroad, and is survived by his wife Zettie and 21 children.

## Chevrolet Firm Buys Rite Electric Building

Mathews Chevrolet Co., 1511 Niedringhaus avenue, has purchased the two-story building formerly owned and occupied by the Rite Electric Co., adjacent to the auto agency. It was announced today by Jack Mathews, vice-president and general manager.

Mathews said the auto firm took over the building this month and is installing a body repair shop in part of the building. A truck sales department also will be established at the old Rite Co. building as well as facilities for servicing new automobiles. Price involved in the transaction was not disclosed.

Rite Electric is leasing a building at 22nd street and Lee avenue.

## Truck Driver Arrested

Charles Smith, St. Louis truck driver, was arrested by State officers and booked at the Granite City jail at 10 a.m. Wednesday on charges of driving without a chauffeur's license, improper use of registration and no Illinois registration on the truck. Cash bail was set at \$600.

## Area UF Campaign Produced Numerous Accomplishments

Outstanding accomplishments which presents the opportunity in the current United Fund campaign and plans for establishing an INTERACT youth organization in the community were heard Tuesday at the weekly luncheon meeting of the Granite City Rotary Club in the YMCA.

John Solenberger, United Fund executive director, cited the excellent results obtained by employee groups in the present drive. He gave special praise to the Granite City Army Depot, which exceeded its raised quota by \$339 with contributions not yet complete.

As examples of all-around effort he mentioned donations from personnel of the Granite City and Madison school systems. In conclusion, Solenberger described the functions of various committees and their successful methods of operation.

William Hodebeck reported on plans for the formation of an INTERACT youth organization within the community. Eligible high school youths and their parents are presently being contacted to explain the purpose of the INTERACT group, he said.
